TSKC

TELANGANA SKILLS & KNOWLEDGE CENTRE

KNMGDC, MIRYALGUDA

## HISTORY OF THE TSKC

- Commissionerate of Collegiate Education has started Jawahar Knowledge Centres (JKCs) in Government Degree Colleges (GDCs) in the year 2005-06 with the support of Government. The objective is to improve employability skills of Undergraduate students along with the conventional curriculum for B.A./B.Com./B.Sc. courses.
- The program is conducted in the selected colleges in three phases in an academic year for the outgoing students and is run for 3 months in every phase with a 250 hour curriculum delivery. The training activity is handled by two types of Mentors i.e. FTMs (Full Time Mentors) and GEMs (Guest English Mentors). The GEMs are engaged to transact Communication Skills and Soft Skills and FTMs transact Analytical Skills and Technical Skills. Government has established JKC Computer Labs in 13 GDCs and English Language Labs in 52 GDCs to support the curriculum delivery.
- After the formation of new state of Telangana, the programme is being followed with a fresh vigour. These JK Centres now being called Telangana Skills & Knowledge Centres have expanded their scope and competencies. Based on the direction of Hon'ble Chief Minister few more programmes have been introduced to transform Education into a vehicle of change and adaptability of the students' prerequisite skill sets. The number of TSKC laboratories is increased to 85 with the introduction of 20 new TSKCs laboratories in this year. Introduction of Online courses, 5 Certificate courses are the programs taken up from TSKCs plat form during 2015-16.
- To encourage the students in all the GDCs, the CCE has initiated the training program, a mandate course to be transacted in 3 years for all the students from the academic year 2016-17 with 2 credits. The curriculum has to be transacted to all students @ of two periods per week and the students have to work on assignments given.
- In view of the initiative of the CCE, the TSKC curriculum is redesigned in such a way that the student entering into the GDC shall be able to compete for an opportunity in the growing market. And the curriculum also encourages students as not only job seekers but also entrepreneurs to plan for start ups.
- The Principal will be the TSKC Chief Coordinator and have to form a TSKC Committee with the HODs.
- The Chief Coordinator along with the Committee is responsible for the transaction of the curriculum as designed by the CCE and expected outcome.

## BIRD EYE VIEW OF THE TSKC

- The department has one Assistant Professor as TSKC Coordinator, having rich teaching experience.
- Conducting students' seminars on important topics.
- Mentors participated in training courses.
- The TSKC provides additional curricular modules to the students.
- Jam, group discussion and Mock Interviews various activities were conducted.
- Counselling is given to the students so that they would overcome personal as well as career problems.
- Encouraging and Guiding Students in selecting good Courses to get good Opportunities by providing proper information in the Class Rooms
- Students are encouraged to get certificate course like Mooc's
