HISTORY OF THE DEPARTMENT

The department of political science was established at our college in the year 1981 under private management. The department has been putting great effort in giving quality education. The Founder faculty member DR. Narayana Reddy garu has contributed his knowledge to the department for over 30 years . He has been a strong backbone to the department in our college .The department offers two mediums of instruction English and Telugu.

One of the Main supporters of a department is P. Krishnaiah served the institution for 33 years and developed a competitive spirit among the students. By his inspiration and encouragement many students acquired the knowledge of Democratic values

IMPORTANCE OF POLITICAL SCIENCE

- ➡ Political science is fundamental to understanding your rights and responsibilities as a citizen and to understand International politics and law.
- ➡ The study of the process; principles & the structure of Government political institutions.
- ➡ The systematic study of Government and politics .
- ➡ Political science is a study of nature; causes and consequences of collective decisions and generates observations of relevance to policy makers & their fellow citizens and global communities.
- ➡ To be able to deal with social and economic problems and other matters of public and private concerns.
- ➡ Political science is especially important in the present stage of development of our society where there are no ordinary processes that do not fit into framework of traditional views.
