## **N-LIST Programme**

The Project entitled "National Library and Information Services Infrastructure for Scholarly Content (N-LIST)", being jointly executed by the e-ShodhSindhu Consortium, INFLIBNET Centre and the INDEST-AICTE Consortium, IIT Delhi provides for i) cross-subscription to e-resources subscribed by the two Consortia, i.e. subscription to INDEST-AICTE resources for universities and e-ShodhSindhu resources for technical institutions; and ii) access to selected e-resources to colleges. The N-LIST project provides access to e-resources to students, researchers and faculty from colleges and other beneficiary institutions through server(s) installed at the INFLIBNET Centre. The authorized users from colleges can now access e-resources and download articles required by them directly from the publisher's website once they are duly authenticated as authorized users through servers deployed at the INFLIBNET Centre. The College Library has paid annual membership fee of N-LIST Programme for access to e-Resources. The N-LIST programme is funded by MHRD, as a college component under the e-ShodhSindhu Consortium.

It provides access to more than 6000+ e-journals, 1, 64,300+ e-books through N-LIST and 6, 00,000 e-books through NDL. The resources are accessible from <https://nlist.inflibnet.ac.in> using a unique username and password provided to each user.

## Make a difference in your students' lives with free, openly-licensed textbooks.

Textbooks every student can access and afford

Open textbooks are textbooks that have been funded, published, and licensed to be freely used, adapted, and distributed. These books have been reviewed by faculty from a variety of colleges and universities to assess their quality. These books can be downloaded for no cost, or printed at low cost. All textbooks are either used at multiple higher education institutions; or affiliated with an institution, scholarly society, or professional organization. The library currently includes 700 textbooks, with more being added all the time.

The Open Textbook Library is supported by the [Center for Open Education](#) and the [Open Textbook Network](#).
