### **Teacher's Self Analysis Report on student's views on teacher's performance**

Our college has made an effort to assess the student feedback on teacher.

In order to analyze the lag areas of the teacher's teaching for further improvement, feedback from students has been received. We have taken feedback randomly from 10 students out of 87 students from B.A.HEP, HPP&HEOM during the academic year 2017-2018

The feedback consists of as many as 20 questions on various aspects of teacher's performance like regularity, class preparation, guidance and mentoring etc. In order to arrive to comprehensive result useful statistical tools like percentage has been used for the effective presentation of the data.

As per the tables of scores it is observed that, in only 10% of areas, the teacher is in-between good and very good and in the remaining all areas the teacher is very good and excellent.

Basing on the analysis the teacher was advised to improve in discussion on the valued answer scripts and coverage of the syllabus.
