ANALYSIS OF TEACHER FEED BACK ON CURRICULUM

The Department of Botany has obtained feedback on curriculum through questionnaire. There five questions in the feedback form. Collection of feedback forms has been done from teachers of various levels i.e. from Governament junior and Degree colleges and also from the School Education who have studied Life science they analysis as also been done

For Botany Papers I and II

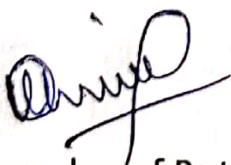

Total forms 10

20% of teachers have suggested that this syllabus is lengthy for CBCS pattern and has to be reduced

20% teachers said that subject like that forest Science ,Crop production management may be included has one of the optional at under graduate level

60% of them have given their opinion that the curriculum is appropriate as it's included all the basics of Botany

Thus feedback of teachers on curriculum for analysed and proposed to take further action to satisfy the expectations of the students
