Anti ragging and sexual harassment report

Adhering to the norms and rules of Anti- ragging the committees have been formed for all the years starting from 2014-15 to 2018-19. Strict vigilance and patrolling have been done in the college campus especially at the beginning of academic year.

No person is found ragging any student and thereby no case is booked under Ragging. It is really remarkable to mention that this college campus is free from ragging; besides this no sexual harassment case is found.
