FIELD TRIP OUTCOMES

Field Trips are recognized as important moments in learning. Expose students to new experiences and can increase interest and engagement. Real world experiences from the start.

To learn how to use knowledge and abilities on Physical Geographical subjects in a specific situation in the field. Learning to recognize dominant geo-morphological process in several types of landscape.

Integrate several aspects of the problems of the area researched taking into consideration previously acquired knowledge.

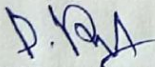

Kakatiya University was established on 19th August, 1976 to fulfil the aspirations of Telangana people for higher education.

The prime function of the university Library is to provide study, research facilities & information needs of the students, Research Scholars, Teaching faculty and non-teaching staff of the University
