FIELD TRIP

DR.A.P.J.ABDUL KALAM SCIENCE THEME PARK, ADILABAD

Science theme park is outdoor natural science play ground. It incorporates art with scientific principles to offer visitors experiences of optical and mechanical phenomenon. Science park physics is an educational approach to teach fundamental physics. Students can learn about inertia, centripetal force, Newton's laws, world time, periodic table and properties of elements etc...

World Clock – World Time

Periodic table properties

Planetary motion

Tele communication

Students feed back

Field trip - Dr. A.P.J. Abdul Kalam Science
Theme Park

1. M. Sandhya - 439-18-3008

చాలా బాగుంది. సైన్స్ మంజూరంగా ఫీజుస్, కేమిస్ట్రీ అనువర్తనాలను
డెమోగా చూడటం వలన చాలా సులభంగా అర్థం చేసుకోవడం
సాధ్యమవుతుంది. అదే విధంగా ఎంతో ఆసక్తి కలిగినది. - M. Sandhya

2. R. Uma maheshwari - 439-18-3011

Very nice, Interesting.

3. D. Madhukar - 439183002

Nice Program. - Madhukar
