The Indus Entrepreneurs Hyderabad (TiE Hyderabad) is founded by a group of successful entrepreneurs, corporate executives and senior professionals with roots in the Indus region. TiE Hyderabad is one of the chapters within TiE Global, working with a mission to foster entrepreneurship through mentoring, networking, education, funding and incubation with a focus on generating and nurturing the next generation of entrepreneurs.

TiE Hyderabad, in furtherance of its mission, engages in establishing "TiE Grad", an initiative run by entrepreneurs, for students aspiring to be entrepreneurs. It is a top-class global entrepreneurship program which enables young students pursuing graduation to develop entrepreneurial mind-set and encourages them to build their own business ideas.

The program involves one kick-off session and three monthly meetings. During the kick-off session, the nominated students are assigned to a Business Coach and an Idea Coach who shall orient the students on how to convert their ideas into business models.

The Idea coach shall meet the students once in every month at a neutral venue (in Hyderabad) to speak to the teams and understand their problems and help them in solving the problem.

TiE Hyderabad shall also host an inter college competition (between Government Degree Colleges). All participants in this competition shall receive digital certificates from TiE Hyderabad. The winners of this competition shall be nominated to participate further in another Intercollege competition (between all colleges) followed by national level and global level competitions.

In this connection the Principals of Government Degree Colleges located in Hyderabad, Rangareddy, Medchel-Malkajgiri districts are instructed to:

- Nominate one regular Commerce faculty to coordinate the TiEGrad Program activities throughout.
- Instruct the faculty coordinator to identify interested students who are enthusiastic in building their entrepreneurial skills and in developing their own business ideas.
- Communicate the list of these students to Career Guidance and Placement Cell, O/o CCETS.
