PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION

Government of Telangana

Present: A.Vani Prasad I.A.S

Rc.No TSKC /CCE / 2016-17

Date: 02- 07 - 2016.

Sub: Collegiate Education-State initiative of restructuring existing system-JKC restructured to Telangana Skills and Knowledge Centre-Mandate in GDCs- New Curriculum designed-Reg.

Ref: NF1/TSKC/2016-17/Curriculum

1. Commissionerate of Collegiate Education has started Jawahar Knowledge Centres (JKCs) in Government Degree Colleges (GDCs) in the year 2005-06 with the support of Government. The objective is to improve employability skills of Undergraduate students along with the conventional curriculum for B.A./B.Com./B.Sc. courses.
2. The program is conducted in the selected colleges in three phases in an academic year for the outgoing students and is run for 3 months in every phase with a 250 hour curriculum delivery. The training activity is handled by two types of Mentors
i.e. FTMs (Full Time Mentors) and GEMs (Guest English Mentors). The GEMs are engaged to transact Communication Skills and Soft Skills and FTMs transact Analytical Skills and Technical Skills. Government has established JKC Computer Labs in 13 GDCs and English Language Labs in 52 GDCs to support the curriculum delivery.
3. The program used to be choice of students. Students paid a fee of Rs.500/- for registration. All the SC and ST students are given training free of cost.
4. **After the formation of new state of Telangana, the programme is being**

followed with a fresh vigour. These JK Centres now being called Telangana Skills & Knowledge Centres have expanded their scope and competencies. Based on the direction of Hon'ble Chief Minister few more programmes have been introduced to transform Education into a vehicle of change and adaptability of the students' prerequisite skill sets. The number of TSKC laboratories is increased to 85 with the introduction of 20 new TSKCs laboratories in this year. Introduction of Online courses, 5 Certificate courses are the programs taken up from TSKCs plat form during 2015-16.

5. To encourage the students in all the GDCs, the CCE has initiated the training program, a mandate course to be transacted in 3 years for all the students from the academic year 2016-17 with 2 credits. The curriculum has to be transacted to all students @ of two periods per week and the students have to work on assignments given.
6. In view of the initiative of the CCE, the TSKC curriculum is redesigned in such a way that the student entering into the GDC shall be able to compete for an opportunity in the growing market. And the curriculum also encourages students as not only job seekers but also entrepreneurs to plan for start ups.
7. The hours (02) allotted for each course in a week will have to be shared by the teachers of the course along with the FTMs in the curriculum transaction in the following way.
8. The Principal will be the TSKC Chief Coordinator and have to form a TSKC Committee with the HODs.
9. The Chief Coordinator along with the Committee is responsible for the transaction of the curriculum as designed by the CCE and expected outcome.

Commissioner of Collegiate Education

**Government of
Telangana**
Commissionerate of Collegiate Education, Hyderabad
CIRCULAR Cir.No.01/Acad.Cell/TSKC/2016
Dated:01.12.2016

Sub: - Government Degree Colleges – Telangana Skills & Knowledge
Centres –

- Instructions issued - reg.

The Department of Collegiate Education is in pursuance of goals of the Government of Telangana by dedicating itself particular focus on Skills & Knowledge. To impart varied spectrum of skills beyond conventional degrees, it is mandatory for the students in the GDCs to acquire at least 5 certificate courses during the tenure of 3 yrs of degree course.

After the formation of the new state of Telangana, the Telangana Skills & Knowledge Centres have expanded their scope and competencies with the introduction of new curriculum. TSKC curriculum was redesigned in such a way that the student entering into the GDC shall be able to compete for an opportunity in the growing market. And the curriculum also encourages students as not only job seekers but also entrepreneurs to plan for start ups. Involvement of entire teaching faculty in the TSKC activities and responsibility of Online Courses taken up by the teaching faculty of the departments of Computer Science/Applications was made mandatory for smooth and successful run of the programme.

During current academic year 2016-17 government has given Rs.15 crore budget provision under TSKC. A total of 5.55 crore budget was sanctioned for establishment of new TSKC Labs and strengthening the infra structure in the existing TSKC labs.

		Budget Sanctioned in lakhs
1	4 New TSKC Labs	85.98
2	Up gradation of labs in 17 Colleges	34.00
3	Room Construction for TSKC Lab in 15 Colleges	124.95
4	ID College existing lab civil work maintenance	12.50
5	Admn. Sanction Orders for 62 GDCs @ 4.8 lakhs	298.00
TOTAL		555.43

Infrastructure alone will not support the students to work towards their aspirations. Students need to have skill oriented practical knowledge for being confident, self reliant and employable. TSKCs should stand in support to the student entering the Government Degree Colleges in planning for future and working towards achieving it.

The department is proposing to conduct a meeting with the Coordinators on 6th December 2016 to plan on strengthening the activity by introducing Mentor-mentee system and including TSKC in API scores. Principals of all the GDCs should nominate a regular teaching faculty who is enthusiastic to work voluntarily towards the benefit of the students as a Coordinator of TSKC. As you are aware the Principal of GDC was called Coordinator of TSKC and the faculty member now to be nominated will here after called Coordinator of TSKC. The Principal of every college will continue to be the Chief Coordinator of TSKC.

Sd/-Smt. A. Vani Prasad,
IAS Commissioner of
Collegiate Education
