Summary

A training program on how to use CAIMS (College Administration and Information Management System) website for all the non teaching staff was conducted on 21-01-2020 at 10:30am at virtual class room. All the non teaching staff actively participated in the programme.

Sri. Naveen Mittal, IAS, Commissioner of Collegiate Education has brought some revolutionary changes in functioning of Government Degree Colleges in the state of Telangana. One such measure was to introduce CAIMS for automation of offices in Government Degree Colleges. By using this CAIMS website all the office jobs such as issuing of certificates, student information management and maintenance of cash book were automated. After this technical session, non teaching staff learned how to manage student information, issue bonafide and transfer certificates and update cash book on CAIMS website.

Summary

A technical session was conducted for all the teaching staff on how to create Google forms and YouTube channel on 19-06-2020 at 05:30PM. Meeting was conducted on Zoom platform. 18 teaching staff members participated in the program. During the COVID-19 pandemic all the educational institutions were forced to shut down and all the colleges were conducting webinars. As during conduct of webinars data collection is mandatory (for registration, feedback and certification), staff members felt that this session helped them in creating Google forms, YouTube channel and procedure to upload videos on YouTube.
