Dear Geetha

As discussed, I am writing w.r.t. the next step in the Retail training students who went through the 3 days retail job readiness training

- **February 28th** as you are aware is the day when the students need to visit IKEA Assessment centre for the selection process .
 - Different slots have been allotted to the students based on the interest that they gave to IKEA team.
 - PI find attached the sheet with students name and the time slot. Your college students name is covered under BJR College. I have high,lightd them in red colour for easy tracing.
 - **From your college all the 6 students have been given 7.00 am slot**
 - PI inform all the students of your college and also give them the following information:
- The address where they have to come is

IKEA India Pvt Ltd,
Module A1, A2 & A3,
Quadrant-4, 6th floor,
Cyber Tower Hitech City,
Madhapur, Hyderabad - 500081

- PI ask all the students **to report at least 15 minutes prior to the scheduled time** as they will need that much time to get the gate pass
- They will be spending **approx. 3 hours at IKEA Office** as the process would take about that much time.
- The students have to carry **a photo id and a passport size photo**
- PI let us know if any faculty from your college will be accompanying the students as we would need to inform IKEA accordingly

Should you need any clarification, further information, pl feel free to contact either Dibya or me.

Best wishes to all the students

Thanks & regards

Gurpreet
