

GIRRAJ GOVERNMENT COLLEGE (A), NZB.

PROFILE OF THE DEPARTMENT OF MATHEMATICS

Brief Introduction of the Department:

- The Department of Mathematics was established in 1956 is one of the oldest departments in whole region of Telangana.
- Many Competitive and accomplished teachers have served the department with great acclaim in its glorious history of 64 years.
- The department at present has catered to 1256 Undergraduate students and 110 Post graduate students in the academic year 2019-2020.
- The students of this institution have appeared for various competitive examinations and have been selected in large numbers for MCA, MBA, M.Sc. courses in various leading institutions. Most in number are settled in Government jobs and most of our teaching faculties are also alumni of this college.

Vision:

Mathematics is the key to opportunity. No longer just the language of science, mathematics now contributes in direct and fundamental ways to business, finance, health, and defense. For students, it opens doors to careers. For citizens, it enables informed decisions.

Mission:

The Department of Mathematics main aim to achieve high standards of excellence in generating and propagating knowledge in Mathematics. To provide an environment where students can learn, become competent users of mathematics, and understand the use of mathematics in other disciplines.

Objectives:

- To offer a set of core courses in mathematics aimed at developing the student's intellectual curiosity, creative ability and habit of independent study.
- To provide the opportunity for the student to participate in research projects, summer training, seminars, work experiences, participation in congresses, exchange of students and creative projects.
- To develop the knowledge, skills and attitudes necessary to pursue further studies in mathematics. And develop abstract, logical and critical thinking.
- To provide mentoring through graduate students and teachers to individualize and enrich the student's mathematical experience.
- To provide the opportunity for students to concentrate in mathematics to study related fields.
- To become confident in using mathematics to analyse and solve problems both in college and in real-life situations.

Courses Offered:

1. UG LEVEL	B.Sc. MPC EM	MPCS	MSCS	MSDS
2. PG LEVEL	M.Sc. MATHEMATICS			

Highlights of the Department:

- Organised a Work Shop on “New Techniques on Numerical Analysis” on 16th March 2019.
- Organised a Work Shop on “Research Methodology in Mathematics” on 27th February 2020.
- Conducted a Quiz Programme for UG & PG level students on the Occasion of Srinivasan Ramanujan Birthday **22nd December every year.**
- The Department of Mathematics has organized a field trip to Laknavaram Bridge and Ramappa Temple located in Warangal district. On 04th January 2020.

- The department aims to contribute to the development of students as logical thinkers, enabling them to function as productive citizens shaping them to make gems for the society. We aim at improving our students to teachers ratio by hiring eminent teachers working in diverse fields so as to make one to one interaction of teachers and students possible so that brilliant minds do not go unnoticed and to be able to see how different fields of Mathematics are interlinked.

DEPARTMENT OF MATHEMATICS

Organized One Day Work Shop on
“Research Methodology in Mathematics” On 27th February 2020

Sponsored by

UGC Autonomy Grants & DRC, GGC (A), NIZAMABAD.

RESOURCE PERSON: Dr.C.GOVERDHAN

Associate Professor, Dept. of Mathematics, Osmania

University **Chief Guest: Dr.K. Sampath Kumar**

Assist. Prof. of Statistics & BOS, Chairperson, Dept. of Math's & Stats, TU.

70 Students of UG, PG and 40 Lecturers of various colleges are attended the workshop on RESEARCH METHODOLOGY IN MATHEMATICS

- The main *aim of research* is to find out the truth which is hidden and which has not been ... application of *mathematical*, logical and analytical *techniques* to the solution of business problems. And developing new aspects of critical *mathematics* education. Research Methodology helps us to get a solution to a problem of Mathematics. It provides us the necessary training in choosing methods, materials, scientific tools and training in techniques relevant for the problem chosen.

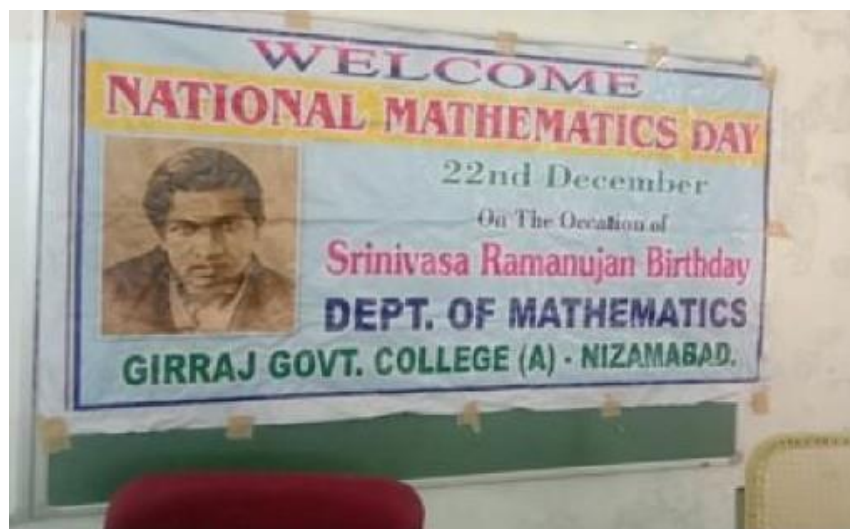

QUIZ COMPETITION:

Conducted Quiz competition every year on the occasion of National Mathematics Day (Srinivasa Ramanujan Birth Day) on December 22nd

On 22-12-2019 the Department has conducted Quiz competition

The number of students participated in UG level 42 & PG level 30. The College Principal Dr. E. Laxminarayana and Vice Principal A.Gangadhar were given prizes to the winners.

WINNERS OF QUIZ PROGRAMME

Field Trip 2019-20

1. Date of the Trip : 04-01-2020
2. Visited place : Laknavaram Bridge , Ramappa Temple and Warangal Fort
3. Distance from the college : 300 kms far away
4. Number of students came to the field trip : 45(Undertaking forms enclosed)
5. Students belong to the class : B.Sc(Mathematics) I Year ,II Year and III Year
6. Staff participated in the Field Trip :
 1. A. Gangadhar ,HOD
 2. Md. Badruddin, HOD of Statistics
 3. B. Prasad , Lecturer
 4. K. Gangadhar , Lecturer
 5. G. Sangeetha , Lecturer

The Department of Mathematics and Statistics UG has organized a field trip to Laknavaram Bridge and Ramappa Temple located in Warangal district. The Department has engaged one traveler bus for the transportation. We were started the journey on 04-01-2020 at 3.30 a.m from the college and reached to the Kakatiya University, Warangal by 8.30 am and visited the Campus. After completion of Tiffin, we started to the Laknavaram Bridge by 9.30 am located about 65km from Warangal and reached by 10.30 am. Students were amazed to see such a beautiful lake and the bridge which is constructed on the lake. It is one of the engineering marvels of the kakatiya kings which has built at an excellent Geographical location. It was designed by Girish Bhardwaj.

After seeing the Laknavaram Bridge we started to the Ramappa Temple. It was 30 km away from Laknavaram and we reached there by 01.00 p.m. There we met a local Guide and he has explained in detail about the Architecture of Ramappa temple. It was Great Experience to the faculty and students by seeing Ramappa Temple construction and the technology used in the construction. By knowing the facts about the Ramappa Temple all of us very pleased for visiting such a great architectural Indian Temple. By seeing this all of us feels like soul soothing offering great solitude. We were started our return journey at 9.00 p.m and arrived to the college by 4.00am on 05-01-2020.
