

GOVERNMENT DEGREE COLLEGE, LUXETTIPET
ANNUAL REPORT 2018-19

Our institution always believes in the proverb "HARD WORK PAYS". Our IQAC, Principal and faculty relentlessly give their share for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality. Our Institutional Annual report reflects our efforts to bring out a qualitative revolution in each and every aspect.

SOME OF THE MILESTONES OF OUR INSTITUTION IN THE YEAR 2018-19:

STUDENT STRENGTH

This year our institutional strength has increased to 149, when compared to previous year which was 116 which shows a bit of improvement and we are also navigating the ways which may improve our strength furthermore.

FACULTY STRENGTH

Up to the previous year, we had just nine faculty members, but by the continuous efforts of our Principal, and with the kind support of the Commissioner of Collegiate Education, Telangana State (CCE TS), this academic year we are having fourteen faculty members.

SANCTION OF NEW COURSES

Up to the academic year 2017-18, we had only general courses ie., B.A, B.COM, B.Sc (MPC & BZC), but this year, we have been bestowed with Computer Science and Computer Application courses. With the introduction of these professional courses, we had been able to reach one of our mile stone which may go long way in improving student strength of the college.

INAUGURAL OF RUSA SANCTIONED BUILDING

Previously our institution was running in shift system in Government Junior College premises with minimum facilities but with a high motto for establishment of Permanent building by our CCE TS and the kind sanction of building under New Model Degree College scheme by RUSA, MHRD, Government of India made the long pending dream come true. The relentless efforts of then Principal, Dr. V. Chakrapani for getting land sanctioned by the revenue department overcoming legal and administrative hurdles and the dedicated efforts of present Principal, Dr. Jaikishan Ojha, their restless and administrative strategy played an effective role in getting a permanent marvellous building for the college. Really this is the greatest achievement in the history of our institution, which will be helpful in catering the needs of the downtrodden pupils of the society who are in thirst for education.

FACULTY SKILLING UP PROGRAMMES

Our Faculty look for the ways to update themselves. Many of our faculty members have undergone faculty development programmes and at institutional level also we have established faculty forum to update the faculty to today's needs.

STUDENT SKILLING UP PROGRAMMES

Shaping the students to today's needs is the utmost practice at our institution, where skill development programmes, short term certificate courses, legal awareness programmes are arranged to enhance the skills and also to insert social, moral and ethical values in the students. We have conducted field trips etc to provide experiential mode of knowledge.

RESULTS

Every year we have the analysis of the results and take necessary action for their improvement. This year our institutional overall result is 60% and we are preparing our grounds to improve it more next year.

SCHOLARSHIPS TO STUDENTS

Our institution avails every opportunity that benefits the students, more than 50% of our students received State Government Scholarships and in addition to this three of our students received National Scholarship, five students were benefited by privately sponsored scholarships.

OTHER AREAS

Our institution focuses not only on curricular activities, but also on extracurricular activities like Sports, Cultural and literary activities. Many of our students participated in Yuvatharangam programmes which include college level, cluster level and state level sports, cultural and literary activities. Our students also gave their share in JIGNASA PROJECT work. Our institution has procured linkages, Collaborations and MoUs for student up grading and faculty upgrading programmes.

SOCIAL SERVICE

Our Staff and students with an ever motive of serving the society have conducted NSS camp at village Modela. Through this camp many extension programmes were carried out which included Swachh Bharath, by cleaning the village roads and school premises, conducting blood grouping camp, and conducting rallies for motivating the village people on various issues.

GOVERNMENT DEGREE COLLEGE, LUXETTIPET
ANNUAL REPORT 2019-2020

With a strong perspective of taking our institution to new heights, our Principal, IQAC and staff have given their endeavors to show the best in every aspect of the institution and added new glory to the institution.

SOME OF THE MILESTONES OF 2019-20 :

STUDENT STRENGTH

With countless efforts of our institution, there is a drastic increase in the enrolled strength of the college, which is 304, when compared to the previous year which was 65, with which our overall strength has been increased to 387, when compared to 149 in the previous year.

FACULTY STRENGTH

Our institutional faculty strength has been increased to 21, from 14, when compared to previous year. This is one of the advancement in standardizing the institution.

SANCTION OF NEW COURSES

PG Courses have been sanctioned this year by which we can proudly feel the fruits of endless efforts of our institution. Also this year two professional courses, Crop Production and management and Dairy technology have been introduced in UG Courses. Also bucket system or elective based CBCS have been introduced into UG Courses to go with the interest of the student. These achievements show the institution going in a path of advancement and success.

BEST TEACHER AWARD

Our Dynamic Principal, Dr. Jaikishan Ojha, who works around the clock for the institution and by whose efforts our institution has been ornamented with many achievements, has received the best teacher award given by the State Government. This achievement is the most valuable milestone in the history of our institution.

RESULTS

This year our institutional overall result is 80%, when compared to previous year which was 60%, which shows a drastic improvement.

STAFF SKILL DEVELOPMENT PROGRAMMES

Our staff members are motivated and encouraged to undergo faculty development programmes, where 18 staff members out of 21 have participated in faculty development programmes. This helps in updating of the knowledge which may be disseminated to students. Our staff have updated themselves to an extent that every staff member prepared video lessons, each staff have got a personal youtube channel, uploaded video lessons to youtube which was forwarded to students in times of covid19 which helped them to be in the stream of continuous learning. Our faculty members also dealt online teaching classes by utilizing various platforms like Skype, Zoom, Google meet etc.

STUDENT SKILLING UP PROGRAMMES

Skill enhancement programmes like sand painting, fabric painting, glass painting, thread craft etc. and short term certificate courses mostly related with curriculum are arranged to enhance the skills and knowledge which may be useful for generating self employment. We have conducted field trips, self governing day and Mock Assembly which may provide experiential learning and participatory learning to the students.

LEGAL AWARENESS PROGRAMMES

For a student of graduation, knowledge on legal laws is necessary which may provide insight into the society. Hence we have arranged legal awareness programmes and also we have given many counselling programmes under WEC AND ICC.

PROGRESSION OF STUDENTS TO HIGHER STUDIES

Our institutional 2019-20 final year outgoing students who appeared for examinations are 31 and 25 students have passed the examinations and out of them 11 members are progressed to higher education which is a positive note of enhancement of quality of our institution.

OTHER AREAS

This year many of our students have given their best in Yuvatharangam Sports, cultural and literary activities which were at College Level, Cluster Level and State Level. Most of our students have crossed Cluster level and entered State level. We are preparing to give our best next year. Our students have undergone student study projects and we also had many skill enhancement programmes for inserting soft skills, communication skills and ICT skills in the students. We have linkages, Collaborations and MoUs which standardize and upgrade our institutions reputation.

SOCIAL SERVICE

Our institution inserts social responsibilities, moral and ethical values in the students. In this regard we have organized eco conscious programmes like CLEAN GODAVARI-SAVE GODAVARI to create awareness among the local people on keeping the Godavari Clean by not throwing plastic bags, wastage and idols of Plaster of Paris into the Godavari River. We have also conducted NSS camp at village Kannepalli which is 8kms near to our college premises where we have undergone many activities like Swachh Bharath by cleaning village roads and drainages, Painted the school building

and cleaned the school premises and also organized health awareness and personality development programmes.
