DISTRICT: MANCHERIAL,

TELANGANA STATE

POLICY OF FEED-BACK ON CURRICULUM

Feedback on curriculum is intended to understand the divide between learning aspirations and learning outcomes of students. The feedback on curriculum in self-designed format is obtained. The satisfaction level of the content of the curriculum included in each course is perceived. The perspective of the students in terms of improvement is analyzed and the proposals with greater frequency are considered for initiating proper action.

Government Degree College, Bellampally encourages various stake holders like students, teachers, parents, employers and alumni to give feedback on curriculum. Interested stake holders give their opinion, suggestions on the syllabus of all the subjects. Students and their educated parents are encouraged to take part in giving feedback. Since teaching fraternity is familiar with the UG syllabus and its relevance to the need for the development of present society they are very much encouraged.

Feedback is collected by the IQAC coordinator from all the heads of departments. In the presence of a senior faculty member, concerned senior subject teacher, the IQAC coordinator analyses the feedback collected. Department wise analysis reports are prepared and kept with signature of the principal for further action. As the scope for redesigning curriculum is not possible, as this being only an affiliated college, suggestions for taking up relevant add-on courses, extended lectures or field visits are given to the concerned department.

Based on the analysis report IQAC coordinator makes his recommendations for action to be taken by the concerned department. Also, if there is a demand for a particular course, Principal of the college includes the course for sanction in the next academic year.

Structure of feedback on curriculum

Feedback forms are prepared differently for different stake holders with the questions relevant to them. The structure of the feedback forms on curriculum are devised by the institution itself and the filled forms are already uploaded and unfilled sample form is being uploaded once again for your consideration

Structure of Feedback form from teachers:

It consists of eight questions in which question from 1 to 7 are regarding to their primary details. Question number 8 consists of the points regarding to the subject and paper on which feedback is collected, familiarity with the syllabus, their observations, objections, suggestions regarding the improvement of curriculum, their recommendations for new courses and reasons.

Structure of feedback form from students:

It consists of twelve questions among which 1 to 4 are related to their primary details, 5 to 12 reflect about the convenience, relevance to the development of present society, topics to be deleted or added, reasons and justifications for their recommendations.

Structure of Feedback form from Alumni:

It has nine questions among which 1 to 8 are for their primary details and the 9th question is related to the subject and paper, familiarity with the syllabus, observations, suggestions and reasons

Analysis Report of Teachers Feedback on Curriculum

The Department of English has obtained feedback on curriculum through questionnaire. There are 5 questions in the feedback form for paper I, II, III, IV. Collection of feedback i.e. from faculty of Government Junior colleges, Private Degree Colleges and who are familiar with English curriculum of U.G courses. The analysis of feedback forms has also been done.

- Total forms = 4
- Most of the teachers have suggested that the syllabus is lengthy in CBCS pattern and need to add topics on communicative skills.
- Some of them opined that the curriculum is appropriate for the current academic year.

Feedback forms of teachers on curriculum were analysed and processed to take further action to satisfy the expectations of the students.

ANALYSIS OF TEACHER FEED BACK ON CURRICULUM

The Department of Chemistry has obtained feedback on curriculum through questionnaire. There five questions in the feedback form. Collection of feedback forms has been done from teachers of various levels i.e. from Government junior and Degree colleges and also from the School Education who have studied Life science and Physical Science they analysis as also been done

For Chemistry Papers I and II

Total forms 10

20% of teachers have suggested that this syllabus is lengthy for CBCS pattern and has to be reduced

20% teachers said that subject like that forensic chemistry, Agro chemicals, Pharmaceutical chemistry may be included has one of the optional at under graduate level

60% of them have given their opinion that the curriculum is appropriate as it's included all the basics of Chemistry

Thus feedback of teachers on curriculum for analyzed and proposed to take further action to satisfy the expectations of the students

ANALYSIS OF STUDENTS FEED BACK ON CURRICULUM

The department of Chemistry has obtained feedback on curriculum through questionnaire. There are seven questions in the feedback for. Collection of feedback forms has been done students of B.Sc Life science & Physical science They analysis has also been done.

FOR CHEMISTRY PAPER I AND II:

Total forms 10

50% of students have given their opinion that the curriculum is appropriate as it is included all the basics of Chemistry

25% of them expressed that they syllabus is vast and some content which are studied at intermediate level. Ex Atomic structure, Chemical bond

25% of the students set that Biochemistry, Biotechnology, crop production Computer application may be introduced as one if the optional at Under Graduate level as they help in gaining the knowledge of self employment

Thus feed back of the students on curriculum were analyzed and processed to take further action to satisfy the expectations of the students

ANALYSIS OF TEACHERS FEEDBACK ON CURRICULUM

Department of history collected feedback forms on curriculum through questionnaire from concerned history faculty of Junior and Degree College

For each paper 4 samples were collected they expressed there some view sand suggestions on syllabus

Most of the faculty expressed that the curriculum is adequate.

Some of the faculty expressed that the curriculum is lengthy and not possible to complete wit in the stipulated period.

Some of the faculty expressed that the curriculum very useful to student to appear various competitive examination.

Some of the faculty member proposed Economic conditions industrial growth revenue Administration should be enter.

DEPARTMENT OF HISTORY

Analysis of Students feedback on curriculum

The Department of History has obtained feedback on Curriculum through questionnaire from BA students. The feedback collected from the students has been analysed and taken to the consideration for development of Curriculum and teaching learning process.

Student's feedback History paper I,II,III & IV:

Students' feedback is sought from around 20 students about the curriculum and teaching learning process. Majority of the students agreed that syllabus is very much challenging and allocation of credits is appropriate in relation to the level of course work. 90% of the students strongly agreed that the syllabus is covered by the teachers on time. And also observed that 70% of the students agreed that the courses are in tune with their respective field of specification.

Feedback analysis report:

- The analysis of the student's feedback clearly depicts that they are well satisfied with the curriculum.
- The students highly appreciated the academic related infrastructural facilities such as library, play ground and other facilities.

DEPARTMENT OF COMMERCE

Analysis of Teachers feedback on curriculum

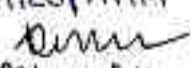

The Department of Commerce has obtained feedback on Curriculum through questionnaire from teachers. The feedback collected from the teachers for design and review of syllabus on Kakatiya University Choice Based Credit System (CBCS).

Feedback Analysis on FAI & Taxation:

An analysis of the feedback received from the respondents out of 15 samples, 90% of the respondents were of the opinion that course objectives were clear and specific. 80% of the respondents agreed that course was well structured to achieve learning out comes. 20% of the respondents expressed that latest developments in the courses should be implemented. Majority of the respondents agreed that there were flexibility in core subjects and syllabus based e-resources was available.

Suggestions:

The stakeholders from Commerce department suggested that there is a need for system based technological updates in all courses more application level topics to be included.

DEPARTMENT OF COMMERCE

Analysis of Students feedback on curriculum

The Department of Commerce has obtained feedback on Curriculum through questionnaire from B.Com students. The feedback collected from the students has been analysed and taken to the consideration for development of Curriculum and teaching learning process.

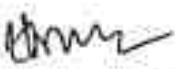

Student's feedback on FAI & Taxation:

Students feedback is sought from around 30 students about the curriculum and teaching learning process. Majority of the students agreed that syllabus is very much challenging and allocation of credits is appropriate in relation to the level of course work. 90% of the students strongly agreed that the syllabus is covered by the teachers on time. And also observed that 80% of the students agreed that the courses are in tune with their respective field of specification.

Feedback analysis report:

- The analysis of the student's feedback clearly depicts that they are well satisfied with the curriculum.
- The students highly appreciated the academic related infrastructural facilities such as library, play ground and other facilities.

ANALYSIS OF TEACHER FEED BACK ON CURRICULUM

The Department of Botany has obtained feedback on curriculum through questionnaire. There five questions in the feedback form. Collection of feedback forms has been done from teachers of various levels i.e. from Governament junior and Degree colleges and also from the School Education who have studied Life science they analysis as also been done

For Botany Papers I and II

Total forms 10

20% of teachers have suggested that this syllabus is lengthy for CBCS pattern and has to be reduced

20% teachers said that subject like that forest Science ,Crop production management may be included has one of the optional at under graduate level

60% of them have given their opinion that the curriculum is appropriate as it's included all the basics of Botany

Thus feedback of teachers on curriculum for analysed and proposed to take further action to satisfy the expectations of the students

Incharge dep of Botany

ANALYSIS OF TEACHER FEED BACK ON CURRICULUM
DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer science has obtained feedback on curriculum through questionnaire. There five questions in the feedback form. Collection of feedback forms has been done from teachers of various levels i.e. from Government Degree colleges and also from the who have studied computer science they analysis as also been done

For Computer science and application Papers I and II

Total forms 10

20% of teachers have suggested that this syllabus is lengthy for CBCS pattern and has to be reduced.

20% teachers said that subject like that Programming languages ,software development may be included has one of the optional at under graduate level

60% of them have given their opinion that the curriculum is appropriate as it's included all the basics of Computer science

Thus feedback of teachers on curriculum for analysed and proposed to take further action to satisfy the expectations of the students

TEACHERS FEEDBACK ANALYSIS REPORT

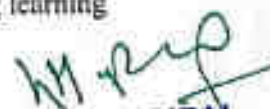

Teachers' feedback is collected at the department level and analyzed. On the basis of the feedback of the teachers during the academic year 2019-20, teachers' responses and analysis were given as shown

Department Name	Total Responses	Suggestions
English	4	Need to include curriculum which develops language proficiency and soft skills.
Telugu	5	Need to include useful grammar topics. Telangana culture oriented topics may be included.
Mathematics	3	Better to increase the weightage of theoretical part.
Physics	4	Curriculum is satisfactory.
Chemistry	4	Curriculum is satisfactory. Better to include Industrial chemistry.
Computer Science	3	Syllabus is adequate for UG level. Need to add contemporary programming languages to the syllabus.
Botany	3	Need to include curriculum of Crop production management.
Zoology	5	Optionals like Forest Science, Biodiversity and Immunology may be included.
History	4	Curriculum is satisfactory.
Political Science	4	Curriculum is satisfactory.
Public Administration		Curriculum is satisfactory.
Economics	4	Curriculum is satisfactory.
Commerce	6	Better to develop the curriculum as per the requirement of employability.
Computer Applications	3	Syllabus is adequate for UG level. Need to add contemporary programming languages to the syllabus.

Suggestions given by the teachers were analyzed and processed to take further actions to satisfy their expectations. It helped us to improve our curriculum and teaching learning process.

DEPARTMENT OF PHYSICS

Analysis of student feedback on curriculum

The Department of Physics has obtained feedback on curriculum through questionnaire. There are seven questions in the feedback form. Collection of feedback forms has been done from students of B.Sc. Physical Sciences. The analysis has also been done.

For Physics papers I and II :

Total forms collected = 5

100% of students have given their opinion that the curriculum is appropriate as it is and its enough in current year.

Incharge Department of Physics

DEPARTMENT OF POLITICAL SCIENCE

Analysis of Students Feedback on Curriculum

Department of Political science has obtained feedback forms on curriculum through Questionnaire from B.A students. The feedback forms collected from the students has been analyzed and taken to the consideration for development of Curriculum and teaching learning process.

Student's feedback Political science paper I,II,III&IV:

Student's feedback is sought from around 20 students about the Curriculum and teaching learning process. Majority of the students agreed that Syllabus is very much challenging and allocation of credits is appropriate in relation to the Level of course Work. 90% of the students strongly agreed that the syllabus is covered by the teachers on time. And also observed that 70% of the students agreed that the courses are in tune with their respective field of specification.

Feedback analysis report:

- The analysis of the students' feedback clearly depicts that they are well satisfied with the curriculum.
- The students highly appreciated the academic related infrastructural facilities such as library, play ground and other facilities.

ANALYSIS OF STUDENTS FEED BACK ON CURRICULUM

The department of Zoology has obtained feedback on curriculum through questionnaire. There are seven questions in the feedback form. Collection of feedback forms has been done from students of B.Sc. Life sciences and B.Sc. (Agriculture). The analysis has also been done.

For Zoology Papers I and II:

- Total forms =20
- 50% of students have given their opinion that the curriculum is appropriate as it is included all the basics of Invertebrates and Vertebrates.
- 25% of them expressed that the syllabus is vast and some contents which are already studied at Intermediate level can be deleted or reduced. Ex. Locomotion and reproduction in Protozoa, Larval forms of Arthropoda etc, Classifications of various phyla can be reduced.
- 25% of the students said that, Biochemistry, Biotechnology, Dairy Science and Poultry may be introduced as one of the optional at Under Graduate level as they help in gaining the knowledge of Self employment.

Thus feedback of the students on curriculum were analyzed and processed to take further action to satisfy the expectations of the students.

ANALYSIS OF TEACHERS FEED BACK ON CURRICULUM

The department of Zoology has obtained feedback on curriculum through questionnaire. There are five questions in the feedback form. Collection of feedback forms has been done from teachers of various levels i.e. from Government Junior and Degree Colleges and also from the School Education who have studied Life Sciences. The analysis has also been done.

For Zoology Papers I and II:

- Total forms = 15
- 20% of teachers have suggested that the syllabus is lengthy for CBCS pattern and has to be reduced.
- 20% of the teachers said that, subjects like Agro chemistry, Wild Life, Forest Science, Bio diversity may be included introduced as one of the optionals at Under Graduate level.
- 60% of them have given their opinion that the curriculum is appropriate as it is included all the basics of Invertebrates and Vertebrates

Thus feedback of teachers on curriculum were analyzed and processed to take further action to satisfy the expectations of the students.
