

ENTREPRENEURSHIP DEVELOPMENT CELL

AWARENESS PROGRAMME

The Entrepreneurship Development cell of Girraj Government Degree College (A), Nizamabad conducted an awareness program to the students on 16th March 2021. The EDC Convenor of the College, Smt.K.Ranjitha in her Welcome Address said that, establishment of EDC's in the colleges is an initiative taken by the CCE to promote entrepreneurial skills among the students. The objectives and benefits of the EDC were also elaborated.

The Vice-Principal of the college, Dr.Abdur Rafeeq presided over and expressed that EDC will not only create awareness about various factors involved in entrepreneurship by arranging guest lectures ,talks by successful entrepreneurs etc.but also it acts an "Incubation Centre" to develop the ideas of the students into successful enterprises.

The Key Note Speaker of the program Sri.V.Varapasad ,UGC Co-ordinator of the college elaborated to the students the meaning of entrepreneurship, need of innovative and creative thinking ,generating new ideas anticipating the future requirements of the society. He focused on the global entrepreneurs who achieved success with innovative ideas. Further the speaker discussed about the need of developing global competencies and entrepreneurial skills. The students were assured that their ideas will be supported and guidance will be given for preparation of Detailed Project Report (DPR), for finding the sources of financial assistance, funding, venture capital etc. The speaker expressed that students should have the passion to accomplish their goals and achieve desired life. He opined that EDC will definitely become vital among the various functional cells of Girraj College aimed at shaping the careers and bright future of the students.

The Controller of Examinations Dr.Venuprasad in his address focused on the need for optimum utilisation of the resources available in the newly formed state of Telangana .He opined that students can design their fortune by aiming high and acquiring necessary skills to stand in the global competition. He congratulated the students for getting the opportunity to shape their ideas into successful business plans.

The IQAC Co-ordinator Dr.Adeppa in his address to the students emphasised on the need to focus on the self employability owing to the scanty employment opportunities in government sector to the increasing educated youth of the country. He called upon the students to make use of all the opportunities available for them in the college to enhance their academic, creative and innovative pursuits. He motivated the students to give up lethargy, to set up high goals, come up with ideas to achieve huge success to students and glory to the institution.

The Co-ordinator of PGRRCDE Dr. N. Jyothi in her address expressed that students should inculcate innovative thinking and idea generation to become successful entrepreneurs in future. She said that the various units of the college like TSKC, Career Guidance Cell and EDC are to provide guidance and assistance to the students to achieve

their goals.

The Head of Department of Commerce Dr.S.Suresh in his address insisted on the need of creating self employment by igniting the innovative ideas. He expressed that these EDC's act as incubation centres to facilitate the students to promote their innovative ideas in business enterprises and guide them towards self employment .Students will be guided towards becoming job givers rather than job seekers.

All the speakers insisted the students for optimum utilisation of the services of the Entrepreneurship Development Cell of the college.

Concluding Remarks were given by Md.Akbar Pasha, Asst.Prof of MicroBiology, Member EDC.Vote of Thanks was proposed by Sri.John Sukumar, Asst.Prof of English, Member EDC.
