#### *About skill development in beautician course:*

For a woman or even a man, looking good is profoundly empowering. Not that one needs to always look like a celebrity; it is about feeling good about how one looks. And this can come from investing a little time and care in oneself and instill confidence every day, one step at a time. This is where a beauty professional has a significant role to play. If you want to be one of those individuals who wish to contribute to make others look and feel good through beauty services, then a professional program might just be what you need.

25 Students in Government Degree College Zaheerabad will be given training in Beautician course. In this Program they learn about Manicure,pedicure,facials,nail art, mehandi designing,make up tips etc. women could be able to get sustainable employment through beautician training. Women who are trained will be able to upgrade their economic conditions. They can be able to improve their efficiency and capability for the development of family and society.
