About the skill development in tailoring:

The program will provide alternative livelihoods skills training for 25 girl students to improve their incomes. The program advocates the objective of extending training for up gradation of skills and sustainable employment for women through a variety of action oriented projects which provide employment to women. There is a need to provide financial responsibilities making women useful to maintain their family. With training activities women role will be enhanced in family and community.

25 Students in Government Degree College Zaheerabad will be given training in tailoring. Basics of tailoring, cutting and stitching are the different patterns of tailoring work. Women could be able to get sustainable employment through tailoring training. Women who are trained they will be able to upgrade their economic conditions. They can be able for spending their efficiency and capacity for the development of family and society.
