

GIRRAJ GOVERNMENT COLLEGE (A), NIZAMABAD

DEPARTMENT OF BOTANY

ACTIVITIES -2020-2021

1. 07-7-2020 -Quiz Competition for all Life Science-

Quiz Link

<https://docs.google.com/spreadsheets/d/1QdYcp4Qkaxg58zBUAbvvwZjkHvjH7veTxBfUJxjohOM/edit?usp=sharing>

No.of students and faculty Participated-292

2. 11-7-2020-online student activity- Botanical Names from Kitchen -

In which students have to write the common Name,Botanical Name and Family name of one food item from their kitchen room

40 students participated in the activity and identified 45 Botanical names.Names of Fruits and vegetables were excluded in the activity

Students identified the names of 19 Species,6 pulses,8 Cereals,6-oil seeds,6 nuts Total 45.
IQra Nafees of BtBc II year was the student coordinator of the activity.

CEREALS		
Scientific Name	Common Name	Family
1. <i>Salvia Hispanica</i>	chia	lamiaceae
2. <i>Limum usitatissimum</i>	Rice seeds (englis) Alei ke bheji (hindi)	Liliaceae
3. <i>Avena sativa</i>	Oats	Poaceae
4. <i>Zea mays</i>	Millets (english) maavka (hindi)	Poaceae
5. <i>Triticum aestivum L.</i>	wheat (english) Jahri (hindi)	Poaceae
6. <i>Oryza sativa L</i>	Rice (english) Chaval (hindi)	Poaceae
7. <i>Sorghum vulgare Pers</i>	Sorghum Jowar (hindi)	Poaceae
8. <i>Pennisetum typhoides</i>	Pearl millet Bajra (hindi)	Poaceae

7/13/2020	Spices	Activity Report
21. <i>Cuminum sativum</i>	Cumin (english) Saunf (hindi)	Alepidotiaceae
22. <i>Cinnamomum zeylanicum</i>	Cinnamon (english) Dulchini (hindi)	Lauraceae
23. <i>Elettaria cardamomum</i>	Cardamom (english) Elachi (hindi)	Zingiberaceae
24. <i>Euglyptum aromaticum</i>	Lavengram (hindi) Clove (english)	Mintaceae

An online Student Activity "Botanical Names from Kitchen" was organised by the Department of Botany, Girraj Government College, Nizamabad on 11/07/2020.
In which students have to write the Common Name, Botanical Name and the family name of one food item from their kitchen room.
40 students participated in the activity and identified 45 Botanical Names.
Names of Fruits and Vegetables were excluded in

ACTIVITY:- "Botanical Names from Kitchen"	Report by :- IQRA NAFFEES (BTBC 3RD YEAR)
Species	Spices
1. <i>Salvia Hispanica</i>	Cchia (english) Chia (hindi)
2. <i>Limum usitatissimum</i>	Rice seeds (english) Alei ke bheji (hindi)
3. <i>Avena sativa</i>	Oats (english) Oats (hindi)
4. <i>Zea mays</i>	Millets (english) Maavka (hindi)
5. <i>Triticum aestivum L.</i>	Wheat (english) Jahri (hindi)
6. <i>Oryza sativa L</i>	Rice (english) Chaval (hindi)
7. <i>Sorghum vulgare Pers</i>	Sorghum Jowar (hindi)
8. <i>Pennisetum typhoides</i>	Pearl millet Bajra (hindi)

REMI NOTE 5 PRO MI DUAL CAMERA	1. <i>Foeniculum vulgare</i>	Black cumin, Nigella (english) Kalonji (hindi)	Familiaceae
2. <i>Coriandrum sativum</i>	Dhania (Hindi) Dhaniyal (Telugu)	Compositae	
3. <i>Cuminum cyminum</i>	Cumin (english) Zeera (hindi)	Alepidotiaceae	
4. <i>Foeniculum vulgare</i>	Faaf (hindi) Fennel (english)	Alepidotiaceae	
5. <i>Trachyspermum ammi</i>	Nigella (hindi) Nimmu (telugu)	Alepidotiaceae	
6. <i>Tamarindus indica</i>	Tamarind (english) Gambi (hindi)	Cesalpiniaceae	
7. <i>Cucumis longa L</i>	Turmeric (english) Haldi (hindi)	Zingiberaceae	
8. <i>Zingiber officinale</i>	Ginger	Zingiberaceae	
9. <i>Illicium verum</i>	Star anise	Meliaceae	
10. <i>Laureus nobilis</i>	Bay leaf Tij patra	Laureaceae	
11. <i>Piper nigrum</i>	Black pepper Methiyal (telugu)	Piperaceae	

REMI NOTE 5 PRO MI DUAL CAMERA	17. <i>Brassica nigra</i>	Black mustard Ragi (hindi)	Brassicaceae
18. <i>Fagonella foenum-graecum</i>	Fenugreek(english) methi (hindi)	Fabaceae	
19. <i>Ferula acanthoides</i>	Irquiva , Sing (english)	Apocynaceae	
PULSES			
Scientific Name Common Name Family			
1. <i>Sesamum indicum</i>	Sesame Til (hindi)	Pedaliaceae	
2. <i>Vigna Catjang</i>	cow pea (english) Turu chandalai (telugu)	Fabaceae	
3. <i>Cajanus cajan</i>	Red gram	Fabaceae	
4. <i>Vigna radiata</i>	Green gram	Fabaceae	
5. <i>Glycine max</i>	Soya bean	Fabaceae	
6. <i>Lens culinaris</i>	masoor daal	Fabaceae

MY INSPIRATION – MY TEACHER

"TEACHING IS THE ONE PROFESSION THAT
CREATES ALL OTHER PROFESSIONS"

GIRRAJ GOVERNMENT COLLEGE(A), NIZAMABAD

Students view on Teachers Day

BHAVANA (BZC E/M 3rd yr)

A student never ever forgets their teacher or educator no matter in which position he is. Every student finds inspiration from his/her teacher. You are the inspirers. And remembering the birth Anniversary of Dr. Sarvepalli Radhakrishnan sir. I wish each and every educator A very Happy Teachers Day

MANSI BUDDHADEV (BZC E/M 3rd yr)

AN ODE TO THE TEACHER
The sun which cracks the dark shell of ignorance and
hatches the dawn of intelligence
The mother who
nurtures Foetal brains young Feeding the milk of
knowledge
The father disfiguring Softness within ,
with the woody hardness of discipline
The book
paged with words of wisdom , oozing
with impregnated by experience
The meditation
meditating
Cruising life from a Shipwreck to the
lifeboat
The tree fruitiong the buds of naivety into
worldly wise blooms
Such personifications does
A teacher embody
A mould shaping clay
And the
hearth strengthening it
Building characters for life
in the school of being
From neophytes to leaders
to leaders submissively meek . The highest throne in
the great chain of beings a teacher privileged to sit
on
The Godly human whois humanly God

My mistakes are my biggest inspiration. They've taught me to face the toughest situations. I've surely made some mistakes but never repeated them. Experiences, mistakes are most graceful teachers to me

TASMEENA MASRATH (BZC E/M 3rd yr)

Teaching is the profession that teaches all other professions .

Happy Teachers Day

8. 2-01-2021-Book released by Dr.P.Ravi Raj

Book Title: **Pollen Flora of Nizamabad District(TS) (A case study of Manchippa reserve forest)**

Authors: **Dr. Vijaya Bhaskar Reddy,
Dr.P.Ravi Raj**

ABOUT AUTHORS

**A. Vijaya Bhasker Reddy**
M.Sc., Ph.D
Assistant Professor,
Department of Botany,
Nizam College (A),
Osmania University, Hyderabad (TS)

**P. Ravi Raj**
M.Sc., Ph.D
Assistant Professor,
Department of Botany,
Girraj Government College (A),
Nizamabad (TS)

Allam Vijaya Bhasker Reddy is Assistant Professor, Department of Botany, Nizam College, Osmania University, Hyderabad, Telangana State. He is post graduated and awarded Ph.D in Botany from Osmania University. He has more than 10 years of teaching experience at both levels UG & PG and taught Plant Taxonomy, Palynology and Biodiversity. His broad research interests are Palynotaxonomy, Clinical Palynology, and Forensic Palynology. He is life member of many national and international academic bodies. He has published more than 40 research papers in reputed national and international journals. He authored more than 5 books and having two national patents.

P. Ravi Raj is working as Assistant professor of Botany at Girraj Govt. College (A), Nizamabad (T.S.). He completed his post graduation from Osmania University, Hyderabad. He completed his Ph.D from Osmania University in 2020. He has 14 years of teaching experience at UG level. His areas of research interests are Palynotaxonomy, Melissopalynology and Aeropalynology. He has published four research papers in reputed national and international journals.

నందిపేట వాసికి పీపోచ్డి ప్రదానం

నందిపేట/ముఖాష్ణగర్: నందిపేటకు చెందిన పి.రవి రాజ్ శుక్రవారం ఉన్నానియా విద్యాలయం నుంచి పీపోచ్డి పట్ట అందుకున్నారు. వృత్తశాస్త్ర విభాగంలో చేసిన పరిశోధనకు ఆయన పీపోచ్డి చెచ్చింది. ప్రస్తుతం రవి రాజ్ నిజామాబాద్ గిరిరాజ్ ప్రభుత్వ కళాశాలలో వృత్తశాస్త్ర విభాగంలో అసిస్టెంట్ ప్రొఫెసర్గా పనిచేస్తున్నారు. రవిరాజ్ను జీజీ కళాశాల ప్రైనీపాల్ లట్టీనారాయణ, వైస్ ప్రైనీపాల్ రఫీక్, వృత్తశాస్త్ర విభాగాధిపతి పి.లతా, అధ్యాపకులు అభినందనలు తెలిపారు.

సాక్షి Sat, 10 October 2020
<https://epaper.sakshi.com/c/55559586>

అధ్యాపకుడికి సన్మానం

నిజామాబాద్ విద్యావిభాగం: వృత్తశాస్త్ర విభాగంలో పీపోచ్డి పట్ట పొందిన అధ్యాపకుడు రవిరాజ్కు గురువారం గిరిరాజ్ కళాశాలలో ఎన్వెసెఎస్, వృత్తశాస్త్రవిభాగం ఆధ్యాయంలో సన్మానం నిర్వహించారు.

9. 08-02-2021 International Conference on Plants and Environment

organized by Dept.of Botany Girraj Government College(A),Nizamabad in Collaboration with Council for Green Revolution, Hyderabad & Dept.of Botany , Telangana University,Nizamabad

Convener-

Dr.P.Latha, HoD,

Dept.of Botany &

Dr. Ahmed Abdul Haleem Khan,Chairman,BOS ,Dept.of Botany,T.U

Organizing Secretary: Deepak Parmar & Dr.P.Ravi Raj

Resource Persons:

1.Dr.Maqbool Ahmed

Head,Dept.of Botany,School of Sciences,Maulana Azad National Urdu University,GachibowliHyderabad

Topic :- **The World of Mushrooms**

2.Dr.Shyam Kumar Bhandari,

USA,

Topic-Molecular tools that drives Scientific research: Basic Principle and application of blotting techniques

3. Dr.Chandrakantha Mahendranathan

Eastern University,Sri Lanka

Post-harvest losses of fruits and vegetables in developing countries

4.Prof Abdullah Mohammad Shohael, Ph.D

Dept.of Biotechnology & Genetic Engineering Jahanirnagar University,Bangladesh

Topic :-Microbes in Applied Research to Improve food and Human Health

5.Prof.Anjana Singh

Tribhuvan University,Nepal

Topic:Symbiotic effect of mycorrhizae on plants

6.Dr.Madhusudhan Reddy

Dept.of Botany

Yogi Vemana University,Kadapa,A.P

Topic: Ex-Situ conservation of endemic and threatened plants of Eastern Ghats,India

7. Dr.N.Amaresen

Asst. Professor

C.G .Bhakta Institute technology

Uka Tarsadia University

Maliba campus,Bardoli

Surat,Gujarat

Topic: Microbial mediated mitigation of various Environmental stress in plants

8.C.Umamaheshwar Reddy

Environmental Scientist

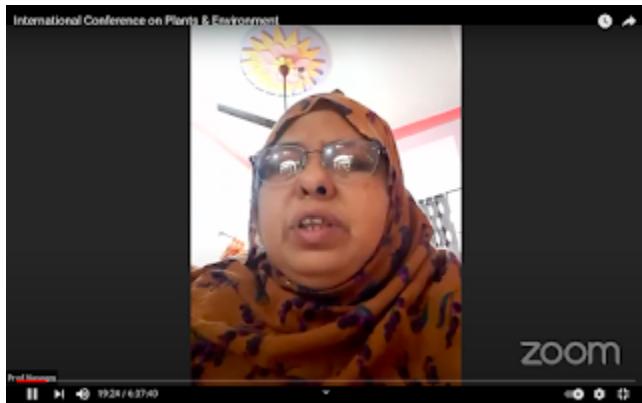

Council for Green Revolution,Hyderabad

INTERNATIONAL CONFERENCE on **PLANTS & ENVIRONMENT**

(Virtual Mode)

8th February 2021

Vice Principal_Dr.Abdur Rafeeq

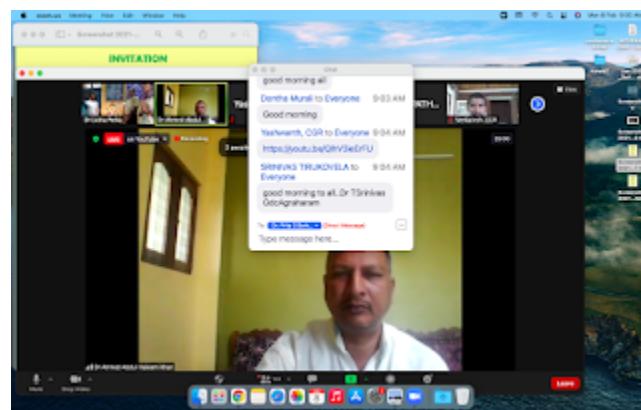

The image consists of two side-by-side screenshots from a video conferencing platform. The left screenshot shows four photographs of different ethnic groups: a group of people standing in front of a hut, three women in traditional Indian attire (sarees) standing together, a group of men in traditional Indian attire standing in a field, and a group of women in traditional Indian attire walking along a dirt path. The right screenshot shows two photographs: a green hillside with a small hut in the foreground, and a group of people working in a lush green field under a tree.

ETHNIC GROUPS

Yogi Vemana University Botanic Garden

- MISSION:**
 - Promote ex-situ conservation of the threatened plant resources of the Eastern Ghats region of India through research and education
- GOALS:**
 - Serve as a national repository of living plant specimens of Eastern Ghats towards ex-situ conservation and propagation of endemic and threatened plants of the region
 - Maintain live plant collections for the purpose of research, educational display and aesthetics
 - Serve as Centre of Excellence for conservation research and education

Established – 2008
Area - 18.67 acres
Total No. of Species Conserving – 1568 sp
Total RET species – 160 sp.

Dr.A.A.Haleem Khan,Asst.Prof.of Botany,Chairman,BoS ,T.S

Tissue preparation

- Samples may be taken from whole tissue or from cell culture
- Bacteria, Virus or environmental samples can be source of protein
- Assorted detergents , salts and buffers are employed to lysis and solubilize proteins
- Tissue preparation is done at cold temperature to avoid protein denaturation

Detection

- Incubating the membrane with primary antibody against the protein of interest
- Washing unbound primary antibody
- Incubating with secondary antibody conjugated Horse radish peroxidase tag or Alkaline phosphatase tag
- Washing unbound secondary antibody
- Exposing membrane with chemiluminescence substrate
- Detection using imager or on X-ray

In Collaboration with
Council for Green Revolution, Hyderabad
&
Department of Botany, Telangana University, Nizamabad

ABOUT COLLEGE
Girraj Government College was established in 1956 in Nizamabad and is named after the donor of the land, Sri Girraj Malji Agarwal. This prestigious autonomous institution is affiliated to Telangana University. College is spread in 29 acres of land and also has Lecture halls, well equipped laboratories, Big Auditorium, Jawahar Knowledge Centre (TKC), Placement cell. The College also has Institutions like IGNOU, Prof. Ram Reddy Centre for Distance Education & Dr. B.R. Ambedkar Open University in its premises. This is the only institution in Northern Telangana conferred with the Status of "College with Potential for excellence" by UGC in 2010. The College offers 20 under graduate and 9 post graduate courses. Faculty is qualified, committed & Service Oriented and actively engaged in teaching and research activities.

ABOUT THE DEPARTMENT OF BOTANY
The Department of Botany was established in 1956 with undergraduate course and later was upgraded with post graduate course M.Sc. (Botany). The Dept has spacious well equipped labs with 10 (Teaching) faculty members. The department has developed botanical, rose gardens, green house in the college campus. The Dept. has linkage with Botany depts. of Various universities like Telangana, Osmania, Kakatiya University, Regional Rice & Sugarcane research station, Agriculture polytechnic, Rudrur and Forest Dept. Nizamabad. The Dept has organized many workshops for students as well as for lecturers to enhance their abilities.

The Dept. has organized two National Seminars entitled "Recent trends in plant Sciences" in Feb 2013, "Biodiversity Conservation - Role of Student Youth" in Dec 2015, and "Importance of Ethnomedicinal Validation of Regional Flora and Fauna for defending value added products" in December 2017. The Department has organized a Two Day Workshop on "Techniques in Biotechnology in Collaboration with Primer Biotech in Feb 2019. Department Organized a Two Day Exhibition on "Leaver- Description and Importance of Vinayaka Chavithi" in August, 2019. The Department organized Four Days Workshop on "Organic Farming and Techniques in Soil and Water Testing" in August 2019. Department organized a workshop on "Techniques in Microscope" in November, 2019. Department has organized Workshop on "Techniques in Herbarium and Pollen Morphology" in January, 2020. Department organized a Webinar on "NIF Genes in Klebsiella pneumoniae and Rhizobium" in May, 2020. Department organized a Webinar on "Plant Succession" in May, 2020. The Department has submitted two Minor Research Projects Sponsored by UGC - SERO, Hyderabad. The NAAC Team has also complimented the Department as "Highly rated", during their visit.

ORGANIZING COMMITTEE

Patron in Chief: Dr. E. Lexmi Narayana, Principal (FAC), Girra Govt. College (A), Nizamabad

Co-Patrons: Prof. B. Vidya Vardhani, Head, Dept. of Botany, T.U.
 &
 Prof. M. Aruna, Dept. of Botany, T.U.

Convenor: Dr. P. Leetha, Head, Department of Botany
 &
 Dr. Ahmed Abdul Hakeem Khan, Chairman, BOI, Dept. of Botany, T.U.

Organizing Secretary: Deepak Parmar, Assistant Professor of Botany
 &
 Dr. P. Ravi Raj, Assistant Professor of Botany &
 Head, Department of Biotechnology

ADVISORY COMMITTEE

Dr. Md. Abdur Rafeeq, Vice Principal and Head, Department of Chemistry

Dr. Y. Venu Prasad, Head, Department of Economics & Controller of Examinations

Sri P.V.V. Satya Veraprasad, UGC & Autonomy Coordinator

Dr. N. Jyothi, Academic Coordinator

Dr. D. Adeppa, IQAC Coordinator

Sri. G. Irinivas Reddy, Head, Department of Zoology

Sri. Akbar Parha, Head, Department of Microbiology

DR. NATARAJAN AMARESAN
Uka Tarsadia University, Gujarat

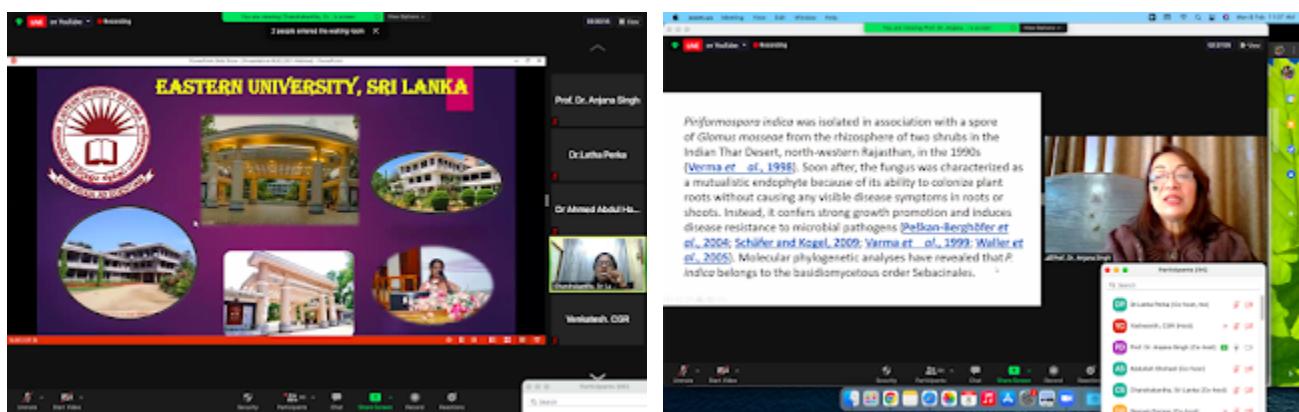

Post-Harvest Losses of Fruits & Vegetables in Developing Countries

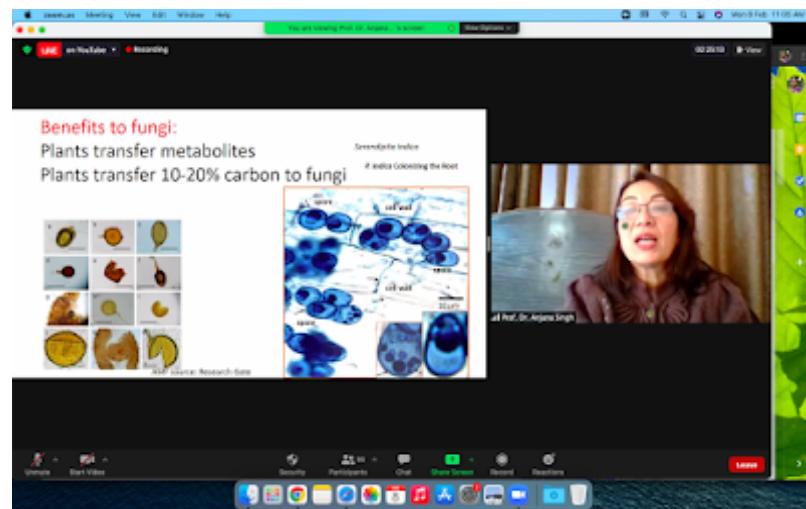

DR. CHANDRAKANTHA MAHENDRANATHAN
Eastern University, Sri Lanka

The screenshot shows a video conference interface. The main window displays a presentation slide with the title "Microbial mediated mitigation of various environmental stress in plants". Below the title, the speaker's details are listed: Dr. N. AMARESAN, Assistant Professor, C.G. Bhakta Institute of Biotechnology, Uka Tarsadia University, Maliba Campus, Bardoli-394350, Surat, Gujarat. The email address na.amaresan@gmail.com/n.amaresan@utu.ac.in is also provided. To the right of the main window, there is a sidebar titled "In this meeting (84)" which lists the participants: Dr. Chandrakantha, Sri Lanka (Video), Dr. N. Amaresan (Video), Dr. Ahmed Abdul Haleem (Video), Dr. Leena Parka (Co-chair, m4), and Dr. Anjana Singh (Chair, m4). The video conference interface includes standard controls for "Join Video", "Stop Video", "Security", "Participants", "Chat", "Share Screen", "Record", and "Reactions".

The screenshot shows a video conference interface. The main window displays a presentation slide with the title "Performingospira indica was isolated in association with a spore of Glomus mosseae from the rhizosphere of two shrubs in the Indian Thar Desert, north-western Rajasthan, in the 1990s (Verma et al., 1998). Soon after, the fungus was characterized as a mutualistic endophyte because of its ability to colonize plant roots without causing any visible disease symptoms in roots or shoots. Instead, it confers strong growth promotion and induces disease resistance to microbial pathogens (Babbar-Bengtsson et al., 2006; Schäfer and Kogel, 2009; Verma et al., 1999; Waller et al., 2005). Molecular phylogenetic analyses have revealed that P. indica belongs to the basal ditylomycetous order Sebacinales." Below the slide, the speaker's details are listed: Prof. Dr. Anjana Singh, Dr. Leena Parka, Dr. Ahmed Abdul Haleem, and Venkatesh, CSR. The video conference interface includes standard controls for "Join Video", "Stop Video", "Security", "Participants", "Chat", "Share Screen", "Record", and "Reactions".

Prof.VidyaVardini,Head,Dept.of Botany,Teangana University

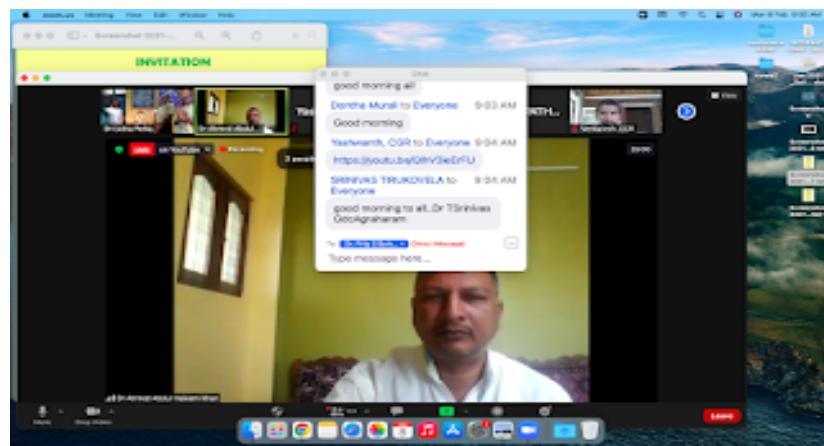

The screenshot shows a video conference interface. On the left, a presentation slide titled "Why study microbes?" is displayed. The slide contains the following text:

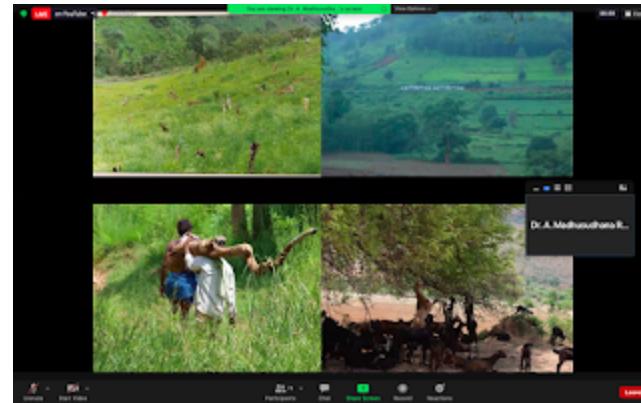

- We live in a planet that is completely dominated by microorganisms.
- About half of Earth's total biomass is entirely composed of microbes, whereas animals just make up about 1/1000th of the biomass.
- We can expand this knowledge and begin studying microorganisms at a larger scope through Next Generation Sequencing (NGS) technologies and metagenomics.

On the right, a video feed of a participant is visible. Below the video feed, a message from Dr. P. Balaraman, Asst. Prof., SIR GAGC KARIMNAGAR to Everyone is shown: "Good Morning all". A second message from Disha Murali to Everyone at 9:03 AM is also visible: "Good morning all". A third message from Yashwant, CDR to Everyone at 9:04 AM is shown: "Good morning". A link to a YouTube video is provided: <https://youtu.be/QMh36d4RQ>.

Below the video conference window, a list of participants is shown in a sidebar:

- Dr. P. Balaraman (Asst. Prof., SIR GAGC KARIMNAGAR)
- Disha Murali (Everyone)
- Yashwant, CDR (Everyone)
- Unknown (Everyone)
- Asst. Professor (Everyone)
- Chaitanya Vedula (Dr. Balaraman)
- Deepak Patel (Dr. Balaraman)
- Dr. Arunima Acharyulu (Dr. Balaraman)

Ex Situ CONSERVATION OF ENDEMIC AND THREATENED PLANTS OF EASTERN GHATS OF INDIA

By
Dr. A. MADHUSUDHANA REDDY
Associate Professor of Botany
Yogi Vemana University

Product quality

To provide high quality fruits and vegetables throughout the year, it is required to start from high quality materials at harvest.

Product quality is only maintained after harvest. Not improved.....

Pre-harvest and post-harvest factors maximize or minimize the quality of the fresh fruit and vegetables.

Dr Ahmed Abdul Haleem Khan

<p>World Environment Day is one of the biggest annual events organised by the United Nations (UN) to generate awareness about the significance of nature and greenery. The United Nations Assembly established World Environment Day in 1972, which was the first day of the Stockholm Conference on the human environment.</p> <p>In 1974, it was celebrated with the theme 'Only One Earth'. Since then, various host countries have been celebrating it, and the idea for rotating the center of these activities started. World Environment Day was first observed in 1974 in the US.</p> <p>The theme for World Environment Day 2021 is 'Ecosystem Restoration' and Pakistan will be the global host for the big day.</p> <p>Registration Link: https://forms.gle/3ryNmyLMrdnWpQVQA</p>	Organizing Committee Haritha club Coordinator- Dr.P.Latha, HoD,Dept.of Botany NSS Unit-I- Programme officer- E.Venkataramana NSS Unit-II- Programme officer- M.Kumaraswamy NSS Unit-III- Programme officer- Dr.M.Sunitha NSS Unit-IV-Programme officer & Eco club- Coordinator - Dr.P.RaviRaj NSS Unit-V-Programme officer - M.Dastappa Google Meet Link: https://meet.google.com/txz-dptw-cgn
