- **Action Plan** is prepared by the IQAC on the basis of recommendations of NAAC Peer Team that visited our institution for 2nd Cycle of Accreditation from 27-29th August, 2015. Few of the recommendations that have been addressed immediately in this academic year are:
 1. Construction of 03 additional class rooms is completed and brought to use.
 2. Post Graduation Courses are introduced from this academic year in Political Science and Telugu.
 3. TSKC Lab is upgraded with 30 computers out of the fund sanctioned by CCE, Government of Telangana.
 4. Teaching-learning has been digitalized with the purchase of 06 **LCD Projectors**, one each for departments of Botany, Zoology, Physics, Chemistry, and one for Arts Departments, and one for e-class room.
 5. Free wifi facility is made available to faculty and students.
 6. Wash rooms for boys are renovated.
 7. More number of girl students are encouraged to join Tailoring and Beautician courses.
 8. Steps are taken to improve greenery in and around the college. Harithahaaram, an environment friendly program, launched by State Government is successfully implemented by the institution.
 9. Classes are conducted in Communication Skills in English, both for faculty and for students.

- **Mid-day Meals:** “**Instruction does much, but encouragement everything**” said **Johann Wolfgang von Goethe** a German writer. Taking inspiration from the above quote our institution deemed it necessary to encourage the students who come from rural and economically disadvantaged families. Midday meals for students in launched on 5-02-2017.
- **Gold Medal scheme** introduced in 2013-14 academic year is continued successfully this academic year as well . “**Instruction does much, but encouragement everything**” said **Johann Wolfgang von Goethe** a German writer. Taking inspiration from this, the institution deemed it its responsibility to give a boost to the morale of the meritorious students. The students who score highest marks in each subject in University exams are awarded Gold Medals. Previous academic year 12 Gold Medals were awarded. This academic year our institution geared up and is fruitful in increasing the number of medals to 24.
- Department of **Chemistry** organized UGC sponsored two day **National Seminar** on “**Human Rights – Environmental Protection**” on 21st and 22nd of January, 2017. This seminar is organized in collaboration with SANA Engineering College, Kodad. **Chief Guest** invited for the occasion was **Prof. S. Rama Krishna Rao, Vice-Chancellor, Krishna University, Machilipatnam, Andhra Pradesh. Keynote address** was delivered by **Dr. P. Vijaya Kalyani, Principal, Padala Rama Reddy Law College, Hyderabad..** This Seminar is a huge success because of overwhelming response from the Scientists, Faculty, Research Scholars and students. The proceedings of this Seminar is a compilation of 63 Abstracts and 30 Full Length papers.
- **Feedback** is collected from students on respective lecturers twice in this academic year. On the basis of feedback collected, assessment is made by the Principal.
- **Student Study Project** prepared by **B.Sc** students on the topic “**Sorption Studies using Meriestica Fraganc leaves carbon and removal of Acid blue-25 from Synthetic and Industrial waste water**” under the able Mentorship of **Dr. A. Srinivasulu, Asst. Professor in Chemistry** won State 2nd Best Student Study Project in the Yuvatharangam competitions organized by CCE, Telangana St, on 27th of February, 2017.
- **Neil Armstrong** said “**Research is creating new knowledge**”. Our institution pioneered to inculcate scientific temper among the staff and students, and aim the arrows of their inquisitive insight to create new knowledge. The faculty are encouraged to pursue

research by submitting their proposals to UGC and other funding agencies. **Mr. Ch. Rama Raju**, Asst. Professor in Botany, has registered for **Minor Research Project (MRP)** in “**Biological control of Fusarium wilt in Brinjal**”. **Mr. K. Nagi Reddy**, Asst. Professor in Chemistry, registered for **Minor Research Project (MRP)** on the topic “**Reduction in COD level using activated carbon from natural resources: An economical viable solution for industrial, agricultural and domestic purposes**”.

- **National Library Day** is organized on 12-08-2016.

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

- The Telangana state government on 4th April, 2015 has launched Telangana State Public Service Commission website and '**One Time Registration System**' on website. One Time Registration is an online procedure in which aspirants may have to fill the registration form with their personal and qualification details and submit it. One Time Registration is valid for 5 years in which aspirants have to apply for job directly by selecting apply now by using provided email id and password.

In this regard, IQAC intends to enrol the names of all our students in 'One Time Registration' at TSPSC. This service also shall be extended to other youth of this area.

- The IQAC helped the students to have easy access to all the relevant information regarding admission procedure, syllabus, examination pattern etc., by certain devices like –
 - Notice Board
 - SMS alert
 - College Broacher
 - Press release.
- Couple of Departments of our college have started '**SMS Service System**' to communicate with the students and also with their parents. Our institution has planned to create a Mail Id for all the students to correspond the college information, fee particulars, employment notice and reference material.

- **‘Bumper Offer Question’** (Student Attention Enhancement Award) is one of the unique programme being followed by the institution to improve student’s attention and listening skills. A question is asked from the speech given by any eminent person or resource person who attend the college. The first student who gives the answer is given cash prize.
- Student feedback is collected from the students once every academic year, and the opinion of the students is consolidated by the IQAC. Remedial measures are designed on the basis of the feedback given by students.
- The institution publishes its updated prospectus and handbooks annually. The information content is disseminated to students at the beginning of every academic year.
- Each department of the institution had taken keen interest to conduct Student Seminars, Quiz and Group Discussions to bring out the Communicative and analytical Skills among the students.
- Special measures are taken to enhance Personality development and Soft Skills among the students coming from rural background.

5.2 Efforts made by the institution for tracking the progression

- Our institution is maintaining its contact with the previous students through college website and also its Social Networking site.
- Each department maintains an ‘Alumni Record’ consisting of the particulars of out going students.
- Alumni meeting is convened at least once every year. A separate register is maintained to compile the particulars of the ex-students of the college.
- The Alumni association is motivated to contribute generously for the development of the institution.

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision:

By 2030 India will be the youngest nation in the world, with nearly 140 million people in college going age group.

Keeping the above fact in view the vision of the institution is to bring a great transition in bringing learner-centred education, developing research abilities among the students, imbibing gender sensitivity, and armour our students with skills to be of great value in the emerging youngest nation in the world.

Mission:-

We dedicate ourselves for the **academic, value based education** and **physical culture** of our students hailing from rural and backward areas: uplift them by inculcating **comprehensive personality development** programs for their well being: equip them with **communication skills** coupled with **employable abilities**.

6.2 Does the Institution has a management Information System

Our institution has a Management Information System to communicate information to College Planning and Development Council (CPDC), Alumni Association and other internal and external stake holders.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The institution is affiliated to Mahatma Gandhi University, Nalgonda. Since it is an affiliated institution the curriculum is designed by the University. The curriculum is followed while preparing the Annual action plan of teaching in the very beginning of the academic year.

To enrich the curriculum and make it more effective, the institution employs lucrative measure like guest-lectures, extension-lectures, field trips, group discussions, mock interviews, students' visits to industries, Personality development activities, Communication skills, Marketing and managerial skills and the like to educate the stakeholders on matters of employment and job-orientation. It also introduces additional inputs, modules suggested by the feedback and industry.

6.3.2 Teaching and Learning

The members of the Faculty adopt ICT method in addition to the Lecture Method in the Lecture Halls. They encourage students to take up student seminars, classroom seminars and project works to assimilate the subject matter in their learning. They use group work, pair work, and individual study methods for improving the student interaction with the subjects.

The quality of teaching and learning is evaluated periodically by the HoDs of respective Departments in their Department Meetings. The institution under the supervision of the Principal collects the feedback from the students about teaching-learning quality imparted by the institution. The quality of learning is evaluated by unit test and annual examinations result.

6.3.3 Examination and Evaluation

The institution follows the process of evaluation constituted by the affiliated university. It follows the rules and regulations notified to the institution without fail.

Though, the institution adopted the following methods for evaluating the performance of the students, not only in internal examinations but also in evaluating the All Round Development of the students.

- ✓ The Principal and the Heads of Department monitor the performance of the students by making an analysis after every internal test and external examination. The Central Marks Register is maintained by the institution.
- ✓ Each Department maintains a separate Marks Register and the concerned faculty make an analysis of the performance of students after every internal test and external examination in departmental meetings.
- ✓ The assessment and evaluation in the All Round Development of the students is also done by the respective departments. Students are awarded different variety of prizes, cash prizes and other incentives to encourage them to participate in co-curricular and extra-curricular activities.☐
- ✓ The university sends the Peer Team and the CCE, Hyderabad sends Academic Audit periodically to ensure that the teaching-learning and the process of evaluation are followed scrupulously. In addition to it, the IQAC and its members closely supervise for the implementation of the same.

6.3.4 Research and Development

- ✓ Research is a significant activity of the institution opening the enquiry attitude among the faculty and students. Our institution is privileged to have 03 faculty members with Ph.D, and 05 faculty members who are presently pursuing Ph.D.
- ✓ The faculty are encouraged to pursue research by submitting their proposals to different funding agencies. **Mr. Ch. Rama Raju**, Asst. Professor in Botany, has registered for **Minor Research Project (MRP)** in **“Biological control of Fusarium wilt in Brinjal”**. **Mr. K. Nagi Reddy**, Asst. Professor in Chemistry, registered for **Minor Research Project (MRP)** on the topic – **“Reduction in COD level using activated carbon from natural resources: An economical viable solution for industrial, agricultural and domestic purposes”**.
- ✓ The faculty members took sincere efforts to encourage students to take up research activities. Student Study Projects were prepared by the Departments of Chemistry and Botany, Zoology, Economics, Political Science and other departments.
- ✓ The college has developed linkage with Krishin Vignan Kendr, Gaddipalli, Surya Diagnostics – Kodad, SBH – Kodad and Dr. Jakotiya Ayurvedic Farm – Kodad.
- ✓ The faculty members encourage students of social sciences to take up social surveys, to visit the nearby industries, market yards for studying life-situations.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- ✓ The institution being a Government organization depends on Government for the sanction of funds for the development of the infrastructure. However, it has been receiving grants from the UGC and the infrastructure has been slowly improving. Besides this, the Faculty members mobilised funds for the establishment of the Computer Laboratory and its accessories, with the help of the Industrialists and Millers.
- ✓ The following table shows the particulars of donations raised by the institution in this academic year for the development of infrastructure and other developmental activities.

Sl.No	Donor	Amount	Purpose	Cash/Kind

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Students Cooperative Bank:

“Education is not a tool for development – individual, community and the nation. It is the foundation for our future. It is empowerment to make choices and emboldens the youth to chase their dreams” said Nita Ambani. Drawing inspiration from this **Department of Commerce** of our institution has launched an innovative programme called ‘**Students Cooperative Bank**’.

The primary objective of this program is to give a practical know-how to students about the functioning of the bank. This Cooperative Bank is launched on **16-07-2015**. The facilities available in the Bank are a) Saving Account b) Deposits & Withdrawals and c) Loan facility. Cash balance as on 13-04-2016 is Rs. 3720. The total number of S/B account holders is 118 including the staff. This bank is solely maintained by the students.

OBJECTIVES

- To give a practical know how to students about the functioning of Bank.
- To make the students acquainted about maintenance of records like Cash Book, Ledger etc.
- To foster a zeal among the students to prepare for Bank Exams.
- To inculcate the habit of savings among students.
- Loan facility is available so as to help the students to pay for their examination fee or purchase of books.
- **Certificate and Skill Development Courses:**
 - This academic year our institution initiated a couple of Certificate Courses as mentioned below:
 - a) House wiring
 - b) Land survey
 - c) Enterprise Management
 - d) Interview Skills.
 - To equip the students with additional skills besides academic knowledge, we introduced 02 Skill Development Courses:

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- **Wall Journal** named '**Disha**' is maintained through out the year in the institution. This updates the students daily on four topics, namely a) Importance of the day b) Vocabulary c) Current Affairs d) Quote on Personality Development.
- Positive measures are taken to increase the enrolment ratio in the college.
- Annual Academic Plan is prepared and all the activities of the institutions are streamlined according to the plan.
- Measures are taken to complete the construction of Women's Hostel Building.
- The college is in need of additional class rooms for the growing strength of the students. In this regard, with the financial grants from the state government and from the Self-finance accumulated fund of the institution, construction of 03 additional class rooms is started in this academic year.
- Orientation class is conducted for the newly joined students to enlighten them about the Under Graduate course.
- Career Guidance Cell is streamlined to give proper guidance to the students regarding the newly emerging employment opportunities, mode of entrance exam and the syllabus for such exams. The institution had conducted '**Free Entrance Coaching**' for **Group IV and Comstable** competitive exams for both students of this college and for other aspirants.
- Faculty members of different subjects are encouraged to conduct **PG Entrance Coaching** for III year students aspiring to join Post Graduation in different Universities.
-

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

The Best Practices of our institution are as follows –

- Bumper Offer Question.
- Student's Cooperative Bank.
- Gold Medals.

****Provide the details in annexure (annexure need to be numbered as i, ii,iii)***

7.4 Contribution to environmental awareness / protection

- Distribution of seedlings to the local community and students by the Department of Botany in collaboration with the Forest Department.
- Plantation inside the campus and in 45 acres of open land.
- Conducted awareness programme on effects of use of plastic carry bags.
- Department of Botany distributed the idols of Ganapathi made of mud to the students and others to educate them about the water pollution caused by chemicals used in idols made of Plaster of Paris.
- Three units of NSS conducted clean and green programme in the villages during Winter Special Camps and enlightened the masses about plantation of trees.
- Department of Zoology arranged Bird Nest Boxes in the campus area to protect avian species, thereby making efforts to safeguard the biodiversity.

7.5 Whether environmental audit was conducted?

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

The internal academic audits conducted by IQAC, and external academic audit by the Commissionerate of Collegiate Educational, Telangana had served four important purposes:

- (i) to improve the quality in documentation by respective departments.
- (ii) facilitated SWOC analysis at the Departmental level, thereby helped the departments to know their strengths, weakness, opportunities and threats.
- (iii) to implement the quality relevant programmes to armour the institution for second cycle of accreditation in the next academic year i.e 2015-16.
- (IV) to promote team work and multi-disciplinary approach among the faculty for achieving the collective interests of the students and the institution.

8. Plans of institution for next year

- To strengthen PG courses.
- To prepare the **Annual Academic Plan** in the beginning of the academic year and streamline all the activities according to the AAP.
- Make arrangements for the Golden Jubilee Year of the college,
- To motivate faculty to take up research activity by applying for Minor Research Projects (MRP).
- To facilitate collaborative research through MoU with prominent Research Centres, Corporate Organizations, Industries, Banks and other organizations.
- To conduct Orientation to the newly joined students.
- To develop scientific and research temper among the students by guiding them in preparing Study Projects.
- To cater to the needs of slow learners by conducting Remedial Classes. And also to identify the fast learners to provide additional input.
- To conduct internal academic audit and take measures to identify the lapses in teaching learning activity.
- To take measures to complete the work of 03 additional class rooms so as to provide convenient learning atmosphere to the students.
- To register the Alumni and take up welfare activities for the college in particular and society at large.
- To collect the Feed Back from the students and take necessary measures for the improvement in teaching learning activities.
- To conduct PG Entrance Classes and also to organize Free Coaching for competitive exams like Group IV, VRO, VRE and B. Ed.

2) BUMPER OFFER QUESTION (Student Attention Enhancement Award)

1. Goal.:

Student Attention Enhancement Award is an innovative programme adopted by the institution in this academic year to enhance listening skills among the students. As an old adage says, “We can take the horse to the water, but we cannot make it drink”, in the same manner though the institution organizes any number of seminars and extension lectures, it is futile unless the student shows interest to note the content.

2. The Context. :

Our institution, for a couple of years has been successfully organizing different Seminars, Extension Lectures and Guest Lectures by inviting eminent academicians. It is observed that the institution is able to get only the physical presence of the students and not their mental presence.

3. The Practice.

This program involves asking the question from the speech delivered by the invitee. A separate question is asked to both boys and girls. The first student who answers the question is given a cash prize immediately on the same platform.

4. Evidence of Success:

Bumper Offer Question is a big success in this academic year. This has thoroughly increased the listening skills among the students. The invited Resource Person is also encouraged to see the students taking note of all the points he explains.

5. Problems Encountered and Resources Required.

When ever the strength of the students is more for any of the Seminar, then it becomes difficult the identify the student who raised his hand first to answer the question.

6. Notes (optional) :

Bumper Offer Question is a big success in this academic year. This has thoroughly increased the listening skills among the students. The invited Resource Person is also encouraged to see the students taking note of all the points he explains.
