## Telangana Skill Knowledge Centre (TSKC)

The primary aim of TSKC is to provide intensive training to students in employable skills and enable them to compete in the global job market. Remarkably, the centre caters to the poorest of the poor and marginalized sections of the society. Students from rural areas who have no access to advantages experienced by their urban counterparts are provided the latest technologies and opportunities to upgrade their skills and encouraged to compete for better standards of living. The centre received overwhelming response from day one and the encouraging placements add to its strength and objectives.

Telangana Skill knowledge Centre was established in our college in the academic year 2007-08. It provides necessary training in technical, analytical, communication and soft skills needed for career growth and development of the students. A number of campus recruitment drives have been conducted every year. The centre is working hard to create ample opportunities for placements of the outgoing students by arranging campus interviews. The team of mentors in the centre put in all their efforts and skills in offering expert guidance and support to students. They are trained in various skills required in the job market. A number of mock interviews, seminars, workshops and extension lectures are organized in the college campus by eminent academicians, scholars, consultants, industrialists and professionals from diverse fields.

### Five Components of TSKC curriculum

1	Communication skills	Speaking Skills, Writing skills & Vocabulary building in both English and Mother Tongue
2	Technical Skills/ Computer Knowledge	Basic knowledge of Computers, SBTET Typing certificate, MS office, Internet Browsing, MOOCs, Certificate Courses
3	Analytical Reasoning & Aptitude	Logical reasoning, Problem solving, Creative thinking and Arithmetic

4	Personality Development	Knowing Oneself, Relationships, Right knowledge
5	Career Guidance & Job Preparedness	Career opportunities, Job requirements and Job preparedness, Grooming

### **Program Outcomes and Objectives of TSKC:**

- To make the student self-confident, self-reliant and with self-esteem when he/she enters into society.
- To make the students focus on various issues and challenges beyond their regular course.
- To make every student acquire Skills and Knowledge apart from the regular Bachelor's Degree.
- TSKCs will introduce students to various latest avenues for Skill Updating like
- To give students guidance regarding the new emerging career opportunities available in the job market.
- To support and bridge the gap between the available human resources (students) and the skills required by the employers.
- TSKC will thrive on the Mentor-Mentee system in Govt. Degree Colleges,
- Design curriculum integrally related to the needs of the job industry
- The student on completion of training should comfortably and confidently use employability skills in a variety of social and business situations.
- Expand Training package to include courses that are in demand and promise 100% placement opportunity like TALLY, MS Excel, Networking, Hardware etc

### **The benefits of Telangana Skill Knowledge Centre**

- Training Practice on employable skills
- Co- curricular activities to enhance Communication and Soft skills.
- Career Awareness/ Planning
- To offer wide range of employability skills and long-term employment opportunities in various Public and Private sector units.
- To promote Government - Institute - Industry relations through training and placements.
