

**GOVERNMENT DEGREE COLLEGE, LUXETTIPET  
WOMEN SECURITY AND SAFETY MEASURES**

Our institution is always concerned about women's security and safety as there is a saying, "Ethra naari pujiyante, tatra ramante devta" Each and every woman in our institution is given respect and measures about their safety are also strictly framed and implemented.

We have W.E.C and I.C.C with coordinators and members who are always at the reach of women students who not only receive complaints from the women students, but also put their 100% efforts to solve them. Counseling's and legal awareness programmes are also arranged to the women students to make them self confident .

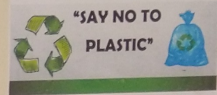

Regarding their surveillance, 26 CCTV cameras are arranged in the campus, so that every moment is recorded, and also our discipline committee faculty and non teaching staff are in rounds all the time and see that no disturbances are created in the campus. We have two girls waiting rooms which have CCTV camera surveillance.

Their health aspects are also taken into account where all the general medicines and sanitary accessories are well arranged and kept in reach of the women students.
