Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The institute is affiliated to Telangana University and follows the curriculum prescribed by the university in a systematic way: Before the start of every academic session, Principal along with Vice- Principal conducts an IQAC meeting with Heads of all the Departments and finalize the Academic Calendar in alignment with the university schedule. Subjects are allocated to the faculties

based on their subject expertise and interests well in advance. Time table for every semester is prepared by the respective Time Table coordinators of various departments in consultation with the HODs and the load distribution is informed to the Principal. The university provides the syllabus with evaluation schemes and course objectives for every course. Faculty follows the evaluation scheme mentioned in the syllabus for each course. Course Objectives and Course outcomes of the subjects in accordance with the university prescribed syllabus are decided by the respective subject in charge in consultation with the HOD. Teaching plan and the assignments for the semester are prepared by the respective subject in charge before the start of the new semester. Depending on the evaluation scheme, two class tests for 40% and 80% syllabus are conducted per semester taking in to consideration the COs defined for each course to evaluate the students. The result analysis of the internal assessment is done and proper measures are incorporated to improve the performance by arranging remedial classes for the weaker students and giving additional assignments/tasks to the brighter students. Course files are maintained by faculty members which contains Academic calendar, Individual timetable, Teaching plan, Assignments, Class test question papers, University question papers, question banks, Quiz, Performance details etc. Remedial classes are conducted for slow learners. In addition to traditional teaching methods, video lectures, PowerPoint presentations, projects, case studies, surveys etc are being conducted. Guest lectures are regularly arranged to bridge the gap in the prescribed curriculum. An IQAC meetings are conducted every month in the academic year. At the end of every semester course exit feedback is taken from the students and analyzed for proper measures. The faculty in charge maps the course outcome with the program outcomes to ensure the attainment of the curriculum. Special emphasis is given on the development of the overall personality of the students through the conduction of various personality development programs. Students are encouraged to participate in NSS and other social activities so as to enable them to be socially responsible citizens. Seminars, value added courses and field visits are arranged to enrich the

various teaching/learning aspects and it is analyzed by the HODs and corrective measures if any, are informed to the respective faculties for further improvements. Course exit feedback and program exit feedbacks are taken to analyze the understanding capability of the students. The infrastructural facilities feedback is taken from the final year students at the end of the program for improving the lab facilities, if any. The feedback so obtained is analyzed for further improvement. Feedback from the parents are taken by interacting with them. Feedback is taken from alumni for suggestions or improvements in the curriculum. Feedback from the final year students are taken for their suggestions in improving the curriculum and it is conveyed to the Chairman, BOS of the respective programmes of Telangana University. Feedback from faculties are also taken for their suggestions in syllabus revision. Library has predesignated feedback forms which are kept on the circulation counter and open to fillup by any user as per their wish. We have also installed a suggestion box which is accessible to all the stake holders so that they can give their feedback/ suggestions for improvements, if any. IQAC conducts the exercise of student feedback every year. This is a feedback on 5point scale, which measures parameters like Subject knowledge, Expression, Teaching aids used, methodology etc. which is analyzed by our IQAC team for taking appropriate decisions for improving the infrastructure and also quality of teachers.

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The institute has a college level Exam committee and a department level internal exam committee. The exam committee works under the supervision of the Head of the institute. The institute exam committee takes the overall responsibility of conducting the end year examination and the evaluation process of answer sheets and preparing the results. Every department has an internal exam committee responsible for the preparation of Timetable, setting of the question paper, declaration of the results of internal tests. After evaluation of internal tests, the answer sheets are shown to the students for any grievances. The grievances of the students are considered and looked into at the department level. The average of the two internal tests are considered for the internal assessment marks. The main reforms initiated by the exam cell committee is the timely declaration of the results and the moderation of the question papers. For the continuous evaluation process, internal tests, assignments, quiz, presentations, lab work, seminars etc are taken into consideration. Term work marks are given to the student depending on the continuous performance in the internal assessment. The rubrics for each practical and tutorial are based on the parameters: performance, lab ethics, selflearning initiative, conceptual understanding, punctuality and attendance.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Before the start of every academic session, Principal along with the Vice Principal conducts an IQAC meeting with Heads of all the Departments and finalize the Academic Calendar in alignment with the university schedule. College academic calendar is designed considering all events in accordance with the University academic calendar. In all 30 weeks are planned which mainly include commencement date, closing date of the term, dates of internal tests I and II, college festivals, submissions, oral / practical exams etc. Schedule for internal exams and tentative dates for University theory and practical exams are displayed in academic calendar. Curricular and extracurricular activity dates, exam schedules and other activity dates are displayed in the academic calendar. Academic monitoring cell is responsible for ensuring proper academic calendar and teaching learning process. It monitors all parameters right from attendance, (75 attendance is mandatory as per University rules), assignments, practical's / labs, internal tests. List of defaulter students is notified fortnightly and the parents are informed. Teachers are supposed to maintain course files of their subjects. All assignments are given in first two weeks, so that students can plan and complete the assignments in time. Parent teacher meeting date is also mentioned in the academic calendar. Faculty conducts lectures and practical's as per the timetable in alignment with the academic calendar. Exams and result declaration are strictly followed on the dates mentioned in the academic calendar.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

RITERION VI -	- GOVERNAN	CE, LEADEF	RSHIP AND M	ANAGEMENT		

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

SRNK Govt. Degree College, Banswada has introduced the concept of Leadership Circles in the academic year and has innovated upon it in order to make it more effective. To empower all the employees and students this novel idea was conceptualized by the Staff Council. The leadership concept permeates from the Principal to the students who also take up this important responsibility so that the entire process works like a circle with the individual onus on each working to the institutions advantage. The Head of the Institution has a circle of leadership with him, referred to as the Principal's Leadership Circle (PLC). The PLC is responsible for providing strategic leadership and tactical guidance

including budgeting and resource planning. All the Heads of Teaching Departments and Departments like Examinations, Student Activities etc form the Principals Leadership Circle. The group provides operational direction to the College. The College does have a designated Vice Principal and in the absence of the Principal, VicePrincipal take charge of the Principals office. Each of the heads, in turn, have their Leadership Circles, comprising members of the department. These Leadership Circles are responsible for planning and execution at the department levels. When a Head is absent, the charge is taken by one of

the members of the Leadership Circle by rotation. Each teacher forms a leadership circle with student leaders in the Class which she/he is incharge of as a mentor. Similarly, in the Student Activities Department, Faculty Mentors in charge of student clubs have the office bearers of these clubs in their leadership circle. In turn, these student leaders have other students in their circle. Each Leadership Circle functions with a high degree of independence. Yet, they are also interdependent collaborative units, which support each other to deliver value to our stakeholders. Any member of the College can share

her/his feedback, idea or opinion on critical issues with the respective Leadership Circles and this helps problems to be addressed at the lowest possible level. A second practice is the conduct of Open Houses by the Principal, during which all stakeholders are free to publicly ask any questions

or articulate any concerns.

6.1.2 – Does the institution have a Management Information System (MIS)?

No

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	The college is affiliated to Telangana University and follows the curricula prescribed by the Telangana University for all the courses offered and as such it has a limited role in the framing of the curriculum. The revision of syllabus takes place every 3 years. In addition to the syllabus we believe in holistic development of the students.
Teaching and Learning	The IQAC has frequent interactions with Heads of the Departments to evaluate the teaching learning process of the institution. The AAA Cell also provides inputs to improve this based on the routine audits. The attempt is to constantly improve teaching methodologies, class room atmosphere, and exam results. Targets are also set for each department on the number of seminars/workshops to be attended by the faculty members and the number of papers to be presented etc. All these contributed to the improvement of quality in the teaching learning process
Examination and Evaluation	Headed by a Coordinator, the College Examination Cell takes care of all work related to the examination, including the coordination with the affiliating university. The college follows the examination and evaluation system prescribed by the affiliating university. Procedures are also in place to communicate effectively to students about the university examination schedule, the pattern and scheme of examinations etc. The performance of students is also monitored by the class mentors and students are told about the areas in which they need to make improvements, thereby emphasizing on the aspect of leadership at all levels. Internal

	exams are conducted as per schedule and minimum attendance requirements are strictly enforced.
Research and Development	Research Committee, headed by a Coordinator, administers the promotion and operation of research activities in the College. The Faculty members and students of the college are encouraged to attend international and national workshops/conferences and present research papers. Certain financial support is provided for such activities Faculty members are also motivated and encouraged to offer their expert services as resource persons, subject experts and chairpersons. Onduty leave is provided to faculty members who attend workshops and seminars. Library and laboratory facilities are upgraded by adding new learning resources and instruments.
Library, ICT and Physical Infrastructure / Instrumentation	The Library Committee which consists of faculty members assists the Librarians in ensuring the development of the library by recommending books, journals, magazines etc. The library provides internet access to both the students and the staff members. It also extends reprographic services to students. The institution adopts policies and strategies for adequate technology deployment and maintenance. The ICT facilities and other learning resources are adequately available in the institution for academic and administrative purposes. The staff and students have access to technology and information retrieval on current and relevant issues. The institution deploys and employs ICTs for a range of activities. The students have access to WiFi.
Human Resource Management	The college has a welldefined, fair, nondiscriminatory HR policy for its employees. It accords top priority for staff development and organizes orientation programme for them conducted by external resource persons at the beginning of every academic year. Regular training programmes/guest lectures are also organized for the teaching faculty on various subjects pertaining to teaching methodologies, classroom management, teacher development etc. All these help in enhancing the quality of teaching learning process and in creating

	conducive atmosphere for team work.
Industry Interaction / Collaboration	The college has invited experts from the industry to deliver guest lectures and also has given projects to students which require interaction with the industry. Different departments have taken their students on industrial visits to give them a practical exposure. The Placement Cell of the college facilitates internship and placement with the leading industries for students. The cell also arranges
	regular training sessions on interview
	skills, resume writing etc. by industry
	experts.

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Planning and Development	Annual Plans and Developmental activities are prepared by taking the opinions of all the stake holders and circulated among the staff and students through college website
Administration	Communication is transferred among the staff and with in the departments take place through Bulk SMS, Whats app Group and email.
Finance and Accounts	Finance and Accounts are done through an accounting package and through centralized State Treasury Net work system.
Student Admission and Support	The Student admissions are done through a state government operated online system, DOST. All the student Scholarships are operated through online.
Examination	The student Exam Fee collection, issue Hall tickets , posting internal and practical Marks.

6.3 – Faculty Empowerment Strategies

7.1 – Institutional Values and Social Responsibilities

7.1.1 – Gender Equity (Number of gender equity promotion programmes organized by the institution during the year)

Title of the programme	Period from	Period To	Number of F	Participants
			Female	Male
Health Awareness	28/01/2019	28/01/2019	120	90
Gender Equality	05/03/2019	06/03/2019	80	50
Women Equality day celebrations	26/08/2018	26/08/2018	150	40

7.1.2 - Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

 Ecoclub conducting programs to sensitize the students on environmental issues. 2.Rain water harvesting is adopted. 3. Installation of LED bulbs for Power Saving. 4. Green Audit (Protection of Plants) has been done by 2 NSS Units volunteers.

7.1.3 - Differently abled (Divyangjan) friendliness

Item facilities	Yes/No	Number of beneficiaries
Physical facilities	Yes	4
Ramp/Rails	Yes	4
Rest Rooms	Yes	4
Scribes for examination	Yes	Nill

7.1.4 - Inclusion and Situatedness

Year	Number of initiatives to address locational advantages and disadva ntages	Number of initiatives taken to engage with and contribute to local community	Date	Duration	Name of initiative	Issues addressed	Number of participating students and staff
2019	1	1	14/03/2 019	01	Swatch Bharat	Cleanness	265
2018	1	1	01/12/2 018	1	World Aids Day	Public Health	150
No file uploaded.							

7.1.5 - Human Values and Professional Ethics Code of conduct (handbooks) for various stakeholders

Title	Date of publication	Follow up(max 100 words)				
Orientation Human values in Life	09/07/2018	Code of conduct for students, regularly monitoring has been done by discipline committee.				

7.1.6 - Activities conducted for promotion of universal Values and Ethics

Activity	Duration From	Duration To	Number of participants		
World Environmental Day	05/06/2018	05/06/2018	150		
World Population Day	11/07/2018	11/07/2018	200		
Independence Day	15/08/2018	15/08/2018	650		
World Ozone Day	16/09/2018	16/09/2018	180		
Republic Day	26/01/2019	26/01/2019	740		
No file uploaded.					

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

 Haritha Haram - Plantation and adoption of saplings in campus. 2. No Plastic Campign Clay Ganesh idols campaign. 3. Swacch Dhoots - Campaign by students on Swacch Bharat 4.Rain water harvesting is adopted. 5. Ecoclub conducting programmes to sensitize the students on environmental issues. 6. Replacement of electric appliances with LED bulb in college premises.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

(i) Financial Assistance to the needy students from the students contribution Helping Hands. (ii) Adoption of social welfare hostels and provided academic assistance by the college students.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

https://ccets.cgg.gov.in/Uploads/files/buttonDetails/17382.docx

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

SRNK Government Degree College, Banswada's vision, 'To carry out with a vision of transforming the learners into becoming committed citizens of the country. To disseminate knowledge through value based education and make all students globally competent and equipped with leadership qualities. To provide quality education to all the sections hail from the society.' The classes are interactive with a constant endeavour to train students for the global challenges which lay ahead of them. It's not just the use of technology which is the focus, but a clear analysis and understanding of the outcomes of the teaching learning process which takes precedence here. This gives the teachers a clear idea of how, where and when the entire process is heading and how the students are going to benefit from it. The feedback mechanisms, constant brainstorming among colleagues to improve the class quality, inputs from the Student Council and individual students, parent inputs and alumni interaction too go a long way in ensuring that only the best education model is available to students. The right mix of experience and youth among the teachers and absolute parity when it comes to a blend of male and female teachers imparting top notch education, makes the college the ideal choice around thousand students who study here. Student experience is of paramount importance to every member of the teaching fraternity and the college management too shares the same viewpoint. The students would vouch for the fact that there is an adequate mix of rules with fun, freedom with restriction and congeniality with control. Preparing students for the future involves equipping them with the knowledge, know how, skills and attitude to be winners. Student experience is also about

helping them to understand their peers better, working together in teams and having the sensitivity to understand others. To accomplish our vision with every advancing year we earnestly aim to raise the bar and set high standards for ourselves , so that our students have the best possible holistic experience with us. An active NSS and Social Service Cell organize outreach programmes for the student community. The college rallies round during natural and manmade calamities and is a collection centre for relief materials. The Counselling Cell, the Placement Cell and a host of club activities with a healthy MentorMentee ratio, Study Circles, Foreign Language training, Finishing School, Certificate Programmes, Cultural Events and International Day Celebrations, all combine to make the institution an ideal place to pursue their undergraduate studies.

Provide the weblink of the institution
