INSTITUTIONAL BEST PRACTICES

- ❖ The institution has arranged meditation and Yoga classes to improve their mental health. The students are encouraged to improve their mental fitness through "Meditation classes".
- ❖ Create awareness amongst students regarding available career options and help them in identifying their career, Guide the students in developing skills and jobs search strategies required to achieve their career objectives, through TSKC.
- ❖ Provide equity and access to women from socially and economically weaker sections of the society, to empower young women to overcome the challenges of life with courage and commitment, to develop leadership qualities and help young women identify their own strengths, to develop latent capacities and skills of the young. Women empowerment by providing equal opportunities to girl students in the college by establishing Women Empowerment Cell.
- ❖ The institution takes up plantation every year. Greenery is maintained in the campus to neutralize carbons.
- ❖ As cleanliness is the important aspect observed in the campus, awareness is given to the students regarding the wastage of paper by placing dust bins to put the waste. Gram panchayat workers take the waste at regular intervals.
- ❖ The merit students are awarded with cash prizes. This will create interest in study among the students.
