DEPARTMENT OF COMMERCE

The Department of Commerce was started ever since the inception of the College in the year 1984. Initially B.Com (General T/M) was started with an intake of 40 students. However, in the later years in view of the demand for the course and to cater the needs of the local students and also due to the rising demand for Commerce education and the changes that were taking place in the field of accountancy such as usage of computers in accounting and income tax filing B.Com (Computer Applications) was started in the year 1989-90 with an intake of 40 students. Presently the Department offers B.Com (Computer Applications) in English as well as Telugu medium with an intake of 60 students in each medium. Ever since the inception of the department it has been striving to give its best in nurturing the students in the field of commerce.

Vision:

To be a vibrant and innovative centre for commerce education, to equip students with knowledge and skills in the field of Commerce education along with ethical values, identify hidden talents, provide opportunities for students to realize their full potential and thus shape them into future business leaders, entrepreneurs and above all good human beings.

Mission:

- To contribute to the growth and development of students and society through promotion of teaching, learning and knowledge.
- Developing the overall personality of students in a holistic manner
- To impart holistic education using state of the art technology and infrastructure leading to development of qualified professionals.
- Nurturing students to face the realities of life and real life challenges.
- Developing new knowledge through research activities and dissemination of knowledge through publication of scholarly works.

35. SWOC analysis of the department and Future plans

Strengths:

- All the three faculty members are well qualified. 02 staff members out of three are Doctorates and the remaining one has also submitted his thesis for sward of Ph.D.
- Practical based learning is encouraged with the use of latest ICT for effective teaching and learning process.
- Career guidance for the students to pursue the higher education along with other alternative ways of settlement is provided during the three years of their graduation

Weaknesses:

- Rural background of the students with not upto mark English speaking skills.
- Lack of computer knowledge among the students.

Opportunities:

- The growing demand for the commerce education along with computerized accounting will provide an opportunity for the students for good settlement in their life.
- The recent changes in the country's tax regime such as implementation of GST, online tax filing provides lot of opportunities in future.

Challenges:

- The students hail from rural areas and not equipped with English language skills acts as a major challenge.
- The unhealthy growth and competition from private colleges is also a major challenge.

Future Plans:

The Future plans of the department are:

- To start PG courses in Commerce and Business Management.
- To offer certificate course in each semester to enhance the various skills of the students.
- To encourage the students to opt for entrepreneurship by imparting necessary skills and knowledge of Entrepreneurship in collaboration with the Entrepreneurship Development Cell of the College.
- To provide computer based computer accounting skills and knowledge and also to provide hands on experience in tie up with a local Chartered Accountant or a tax practioner.
