FIELD TRIP - 2018-19

01.28.10.2019.

The Department of Botany organized a field trip with B.Sc B.Z.C.I, & II yr students to the Pakhal on 28-10-2018.

In this visit we have visited Pakhal Biodiversity Park, Butterfly Garden, Pakhal Lake.

In this visit we are observed many Medicinal plants, its medicinal uses and Taxonomic features i.e Habitat, shape, flowering, fruiting, classification in Biodiversity Park.

We are observed many pollinators (Insects, Butter flies) and pollination mechanism in Butterfly Garden.

Finally, we have observed lentic and lotic Ecosystem and collected algal samples from the water bodies to identify the organisms in our laboratory.

This program is very useful to the students for their academic studies. They learn medicinal values of the plants, Taxonomy, Pollination mechanism and Ecosystem.

The Humanities Department has taken the Arts & Commerce students to Field Trip as part of Curriculum. The students visited the historic places of Warangal District Ramappa, Laknavaram, and Agricultural fields of Mulugu on 21-12-2018. Faculty members Sri G. Gajanan, Dept. of Political Science, Sri M. Sammaiah, Dept. of Economics, Sri B. Ramesh, Dept of History and the students have actively participated in the Field Trip programme.

The Department of English in association with the students of Science Departments participated in the Field trip to Pakhal lake as part of Student Field work of Botany to observe the various plants, herbs, and the environmental consciousness on 07-01-2020. The students and faculty got an opportunity to practice communication skills in English during the trip to Pakhal lake. The students were encouraged to speak and practice Spoken English in order to drive away the fear of English.
