Principal Present (FAC): Dr. Jai Kishan Ojha, M.Sc, Ph.D. Cell: 9440036165

AGREEMENT LETTER

This agreement is made at Luxettipet on 20.08.2019 between M/s Bolt Broadband, Luxettipet (Vendor) and the Principal, Government Degree College (GDC), Luxettipet

1. Scope of Agreement: The Bolt Broadband, hence forth called vendor agrees to provide, and the Principal, Government Degree College, Luxettipet, hence forth called GDC agrees to purchase, broadband Internet service under the terms and conditions of this Agreement. The GDC will select the level of service it would like by signing an Application for Broadband Service. The vendor shall not be obligated to continue providing broadband service unless GDC comply with the terms and conditions, including the payment requirements, contained in this Agreement. The GDC will have the right to terminate the services of the Broadband with a prior notice of week days, if the services are not satisfactory with regard to speed and troubleshooting any technical issues in stipulated time.

2. Service Charges and Speed: The vendor agrees to provide the internet speed with 20 MBPS with a monthly charge of Rs 1500/- (Rupees one thousand and five hundred only).

3. Use: GDC may use the Services for any lawful purpose associated with academic purposes. However, GDC may not interfere with or impair service or the privacy of any other person's communication over vendors network. The vendor may immediately suspend, terminate, or otherwise interrupt services if there is reason to believe that the institute used the service in violation of the digital millenium copyright act ("DMCA").

4. Service Date and Term: This Agreement shall take effect when it is signed and shall continue in effect for one year. If the vendor agrees to build a new line/ extension to reach location/department, GDC may be required to pay for those facilities.

5. Demarcation Point: Vendor will designate the Demarcation point ("Demarc") where GDC will receive the Services. GDC has to bear the installation charges for all wiring, equipment, access, or other things needed for use of broadband from side of the Demarc and further extensions.

6. Vendor Responsibilities: The vendor should help to set up or troubleshoot broadband issues. The vendor is supposed to provide 24x7 hour services and should give prior information about any interruption in services due to technical updatation or related issues.

7. Customer Responsibilities: The GDC will pay all monthly service charges, as they appear on bill. The GDC will arrange for access within premises as necessary for personnel

to install, repair, inspect, maintain, replace or remove the equipment the vendor provide. The GDC shall be responsible for notifying vendor if there is any problem with service.

8. **Equipment:** The vendor will continue to own the equipment that they provide for broadband service. Upon disconnection of the Services, the vendor will remove the connecting line cable and the institute will own the routers and the internal line connection with cable.
