One day workshop on SOFT SKILLS

A workshop is an experimental that can introduce a new concept, passionate participants to investigate it further on their own, or can demonstrate and encourage the practice of actual methods. It's a great way to teach hands-on skills because it offers participants a chance to try out new methods. Keeping this in view this workshop is dedicated to contract and guest faculty of erstwhile Warangal and Khammam districts on 30.03.2019.

This workshop is on soft skills, which includes interpersonal skills, attitudes, teamwork and leadership abilities. So, this workshop is not only beneficial to the faculty but also to the students of our college.

This program is conducted under the guidance of Dr. B. Ramulu. The chief guest of this program is Sri. V. Chakradhar Rao ITDA (PO) and the resource persons are T.S Praveen Kumar Ass prof of English GDC (Eturnagaram) and NRCH Srikanth Asst prof of English GDC(Mulug)

The program was very effective with interesting activities involved in it. There were many tasks in the program like Group Discussion, Reading & Writing tasks and innovative thinking. All these activities helped the faculty and students to improve their abilities.

WORD STRESS

Word Stress: To communicate clearly when you are speaking in English, it's important to stress the correct syllables in each word. This is called 'word stress', which means pronouncing one syllable of a multisyllabic word with greater emphasis (stress) than the other syllables in the word.

In English words that have more than one syllable:

In English, stressed syllables are louder than non-stressed syllables.

Intonation

11.3.2020

'Intonation' is the rise and fall of the voice in speaking.

Intonation is about how we say things, rather than what we say. Without intonation, it's impossible to understand the expressions and thoughts that are conveyed with words.

2019-20Topic : STRESS & Intonation

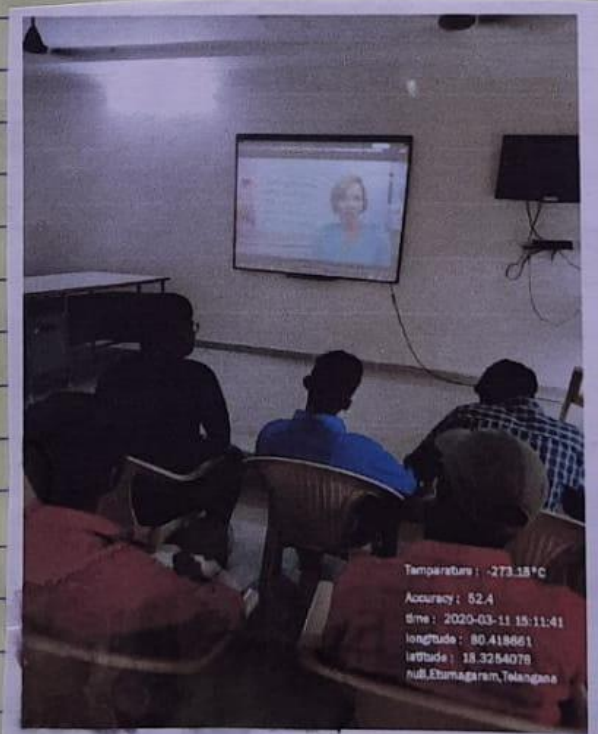

Stress is about which sounds we emphasise in words and sentences. Sentences have stressed words and weak unstressed words.

Intonation is the way, the pitch of a speaker's voice goes up or down as they speak.

As it is a part of the ~~class~~ II year syllabus and useful in understanding the pitch of words how to utter, this topic has been taken for audio visual class. All the students of Arts group has attended the class.
