

GOVERNMENT DEGREE COLLEGE, SUDIMALLA-VIII, YELLANDU

Bhadradri Kothagudem-Dist

E Mail: gdcyellandu.jkc@gmail.com

INSTITUTIONAL BEST PRACTICES

1. Free supply of study material: The teaching faculty of the our college prepares study material in a simple and lucid way for the better understanding of students enabling them to get best score in the examinations. Students are advised to make use of the material judiciously by learning and understanding a question a day as a means of preparing for the university examinations.
2. Plantation: The institution takes up plantation every year. Greenery is maintained in the campus to neutralize carbons. Harithaharam is an official program conducted with the instructions of the Honourable Commissioner of Collegiate Education, Hyderabad. Principal, students and staff (both teaching and non-teaching) take part in this program. Plantation forms the regular activity of the college. Saplings like Guava, Coconut, Red sandal, Mango, Neem, Amla, Pomegranate, Teak, Ganuga, Sapota, Custerd Apple, Jeedimamadi, Lemon, Dates, Wood Apple are planted on occasions like Telanganaku Harithaharam and events of national importance. A clean and green surrounding is the motto of the institute.
3. The merit students are awarded with cash prizes. This will create interest among the students. Financial support for pursuing higher education to the needy students is provided.
4. The institution has arranged Blood donation camp, meditation and Yoga classes to improve their mental health. The students are encouraged to improve their mental fitness through Meditation classes.
