

# **GOVERNMENT DEGREE COLLEGE FOR WOMEN,BEGUMPET**

(Autonomous - Affiliated to Osmania University)

## **RESEARCH POLICY**

Research has become vital in Colleges and Universities in the present world. The Research policy of the College aims to create a Research culture among the faculty and students. Teaching and Research are complementary.

The Faculty with good Research knowledge can provide valuable inputs to the future generation for the years to come. The enthusiasm of the students can be enhanced with the support of the Faculties who also act as the Mentors/Guides in their Research Projects. The faculty aims to improve the research aptitude of the Students with Projects. Students are given the knowledge of Research projects for their future endeavours.

### **Objectives of the Research Policy:**

- To strengthen the Institution with good Research output and enhance the capabilities of the faculties.
- To inculcate the Research culture among the faculties and students.
- To guide faculty members in research projects with the regular curriculum implementation and curriculum enrichment activities.
- To identify and inform researchers about the appropriate research opportunities announced by different academic, research, industry or government organisations.
- To provide a mechanism for ensure that academic staff attain the desired mix of teaching, research and consultancy outputs so as to achieve the level

### **Implementation:**

The Research policy applies to all the 'Teaching staff' as they are also Individual Researchers as well as Mentors and Students. They can take the help of Resource persons, external support of other organisations for knowledge and collaboration.

- 1) The faculty shall continuously encourage the students towards the accomplishment of Projects by giving them appropriate knowledge about the various components of Research.
- 2) The faculty shall motivate the students to develop a Research Aptitude.
- 3) The faculty shall identify the Funding agencies in their domain and undertake the projects from various Institutions. They should identify the funding agencies and apply for the same from time to time.
- 4) The faculty shall publish in Journals listed in UGC-Care. They shall identify the Journals with high Impact factor and strive to publish in such journals.
- 5) The HOD shall maintain a Record regarding Recognised Journals and encourage their faculties in respective departments to publish in High impact Journals.
- 6) The Faculty shall communicate and collaborate among themselves to publish in Journals.
- 7) The faculty shall initiate Collaboration to write books in their respective fields or Research Methodology in reputed Publishing Houses.
- 8) The faculty shall apply for MOUs in Research field.
- 9) The faculty shall apply as Authors, Editors or Associate editors in publishing books from reputed Publishing houses.
- 10) The faculty shall collaborate with University subject experts and encourage students to attend the Research Labs in University or reputed Central Labs.
- 11) The Faculty shall update themselves with the developments in their respective field and impart such knowledge to students.
- 12) The faculty shall encourage the students to join in PG and Ph.D. Courses in Universities and Central Institutions of Eminence like CCMB, NIN, IICT, ICSSR etc.
- 13) The Faculty shall submit the proposals to various funding agencies for Projects and shall maintain the record of the same.
- 14) The Institution shall provide incentives to the Faculty who secures the highest H-index.
- 15) To encourage and facilitate the presentation/communication of the research work/projects as well as their findings and recommendations through academic events such as workshops/seminars/guest lectures.

- 16) To compile data on all the research work/projects undertaken by the teachers and students in to a database for easy monitoring and analysis of the progress being made by them from year to year.
- 17) To provide a mechanism for ensure that academic staff attain the desired mix of teaching, research and consultancy outputs so as to achieve the level.
- 18) To adopt the research ethics, which informs all researchers about the ethical and legal norms and principles to be followed in the conduct of research.
- 19) To prepare and implement a research quality assurance mechanism for ensuring that all research activities of the college conform to standard quality specifications.
- 20) To develop, prescribe and administer rules and procedures to ensure the compliance of all researchers to the research quality assurance framework, the research code and all the applicable rules and regulations.
