

Government Degree College, Eturnagaram.

3.3.3 Detailed Reports of activities

Year 2020- 2021

Corona / Covid-19 Eradication Programs activities

Telangana has responded to the Covid-19 pandemic in a prompt & proactive manner. Besides maintaining continued focus on specific interventions to contain the disease, continued delivery of non-Covid essential health services was also ensured. Simultaneously, development of safe and effective vaccines against COVID-19 was also pursued. The challenge posed by the pandemic has once again proved country's significant indigenous capability not just in terms of vaccine manufacturing but also research and development capacity.

During the first wave in 2020, This Eturnagaram area was under "Cantonment Zone" and severely accumulated in this people living in the villages surrounded.

Village, along with college were under "Lock Down", but in September 2020 to February 2021, we conducted some awareness programs in the college.

1. Wearing mask
2. Maintaining physical/social distance.
3. Avoiding crowd gatherings in college campus.
4. Sanitation in the college
5. Usage of personal Hand sanitizers.
6. Awareness classes.
7. Vaccination program/camp in the college and Hospital.
