DEPARTMENT OF COMMERCE 2020-2021

Principal Dr G Sunita and Exhibition convenor Ms, Uma Maheshwari having a glimpse of the Exhibition

On 25th of Feb 2021 there was an “EXHIBITION” held by the 1st years of coordinated by Ms. Umamaheshwari , lecturer in commerce . The exhibition showcased models creatively done by the first year batch 2020-2021. Ranging from commerce industry, transportation banking merits and demerits of social media, women entrepreneur , invention of atm, ware house sugar industry types of currency local marketing and online services, the expo gave indepth info of the commerce and trade industry.

Dr. Sajida, HoD Commerce interacting with students at the expo

First year Commerce student explaining about consumer forum.

AWESOME: Bank Model creatively prepared by the students at display. Model of sugar industry explaining the whole process.

These were the topics covered by the students in Exhibition . It was a perfectly organized programme.

Students used 3D Models to explain the topics accurately. They showed their creativity by giving an excellent finishing to the Models and perfectly looked into the minute materials. It was an informative programme ended up by influencing other students to come up with their creativity.

WOMEN EMPOERMENT CELL ACTIVITIES 2020-21

EXTENSION LECTURE ON MEDITATION AND YOGA

Feb 23, 2021: Resource Person: Dr. Vanitha Malevar, a volunteer in Art of Living organization

Organizing committee: Women Empowerment Cell, Health Committee and Zoology dept

The Art Of Living Foundation is a non-profit, educational and humanitarian organization founded in 1981 by the world renowned humanitarian and spiritual teacher Sri Sri Ravishanker. All the Art of Living programs are guided by Sri Sri Philosophy. Unless we have a stress free mind and violence free society we cannot achieve world peace.

Behalf of Women Empowerment Cell and Zoology dept , we organized a special program through online with Dr. Vanitha Malevar, a volunteer in Art Of

Living organization on “Meditation and breath work shop” on dt:23-02-2021. Dr. Vanitha explained in detail about the effect of meditation and how it builds a harmony in between the health and studies. Madam also presented different types of exercises for better breathing.

WORLD CANCER DAY

World Cancer Day was created in 2000 to be held every year on 4th February. It is a global initiative led by the Union for International Cancer Control (UICC), to face one of our world’s challenges. World Cancer Day aims to save millions of preventable deaths each year by raising awareness and education about cancer and pressing governments and individuals across the world to take action against the disease. This year’s theme: **I am and I will/Together**, all our actions matter. This day shows us that our actions have an impact on everyone around us. This year’s theme is a reminder of the enduring power of cooperation and collective action. When we choose to come together, we can achieve what we all wish for, a healthier, brighter world without cancer.

The WEC, Health committee Department of Zoology, Govt. College for Women (A), Begumpet, Hyderabad celebrated Darwin day on 4th February by organising an online extension lecture through Zoom app by Dr. Srinivas Prasad, Cancer surgeon at Oryzon Cancer care Hospitals. Dr. Prasad explained to the students the implications of breast and cervical cancer. He also talked about the various risk factors and stressed on the importance of nutrition, exercise and a healthy life style in preventing such occurrences.
