Library Activities for the year 2020-2021

During Covid-19 period a three Day workshop was conducted by the UOH on Online Course Design, Development and Delivery from 6th to 8th May 2020. As part of this program the Department has created a google site for the benefit of students and trying to improve more effectively the coming months.

The poster is for a 'THREE DAY ONLINE WORKSHOP ON Online Course Design, Development and Delivery' held from 06-08 May 2020. It is organized by the Human Resource Development Centre at the University of Hyderabad. The poster includes details about the workshop's purpose, topics to be covered (such as online course design, development, delivery, and assessment), requirements for participants (including a fee of Rs. 1000 and a laptop), and a registration link. It also features the logos of the University of Hyderabad and the HRDC.

The screenshot shows a Google Site for the Department of Library. The site has a blue and green background with the text 'Welcome to The Department of'. Below the header, there are several social media icons for YouTube, Instagram, Twitter, Facebook, and WhatsApp. The site is viewed in a browser window, and the URL is visible as 'http://google.com/ig/homepage.do?igshid=180y3f9m4h8a000'. The browser's taskbar at the bottom shows various application icons and the system clock.

Introduction

- Electronic information stored in a medium, which requires an electronic device to read/access its contents.
- Information stored in electronic form can reach the remotest corner of the world.
- The physical hardbound volumes of books and journals are slowly being either replaced or supplemented by electronic media.
- Advances and developments in electronic storage and delivery of information are changing the nature of libraries.
