NAAC PEER TEAM

GDC BELLAMAPALLY

Vision:

“From the class room to spheres of the world and transformation of the student to a dedicated professional, a successful entrepreneur a dynamic business leader and a motivated researcher working towards the growth of the Nation.”

Objectives:

The department aims at academic excellence by recognizing the potential in students and providing:

The essential knowledge of Computer fundamentals , Computer Languages , Web Technologies , Data structure and their applications in different Computer sciences Applications.

To acquaint students with information Technology and practical Applications Development knowledge.

To provide a channel of knowledge to meet the challenges in changing Technologies environment.

Inception and Growth:

The department of Computer Science/ Applications made a humble beginning in the year 2018. To meet the diversified needs of the Software industry, B.Com. (Computer Applications) was introduced in the academic year 2018-19.

Inputs from the Department:

1. Name and address of the Department : **Department of Commerce,
Government Degree College,
Bellampalli, Mancherla Dist.
Telangana.**
2. Year of establishment : **2018**
3. Courses offered : **B.Com. C.A. BSc MPCS, BSc(BZCS,
BC.CS)& BA Computers**
4. Built-up-area of the Department in Sq.ft.: **400**
5. Lab area in Sq. fts. (Computer Lab) : **750**
6. Number of teaching, technical and administrative staff of the department:

9. Method of assessing the student academic standing in order to provide enrichment and/or remedial courses:

At the beginning of the academic year the performance of the students is assessed by the marks secured at the entry level and internal assessment tests like oral tests, quiz, group discussions etc.

- ✓ The department identifies students having quest for academic excellence and knowledge and entrust them with projects, classroom seminars and also encourages them to take up professional courses such as ACS, ACA, ICWAI and MBA etc.,
- ✓ For weak students, special attention is given in remedial classes in each subject. From time to time tests are conducted to review their performance and thus facilitate improvement in the students.
- ✓ Bridge course is conducted for the Non-Commerce students at the entry level on basic Commerce principles to familiarize and make them on par with the rest of the class.
