Unique features of department:

The student of each class is classified in three categories which are bright, average and slow learners.

The bright students are made as batch leaders and average students are made group leaders, for evaluation of home work notes books by practice of the department is that the teacher evaluates the note books of batch leaders and also clarification of doubts in the subject the slow learners raise their doubts with group leaders and batch leaders and in turn batch leaders with the teachers. In this process the student does not feel any agitation to clarify their doubts.

The method of assessing to the students of department:

The method of assessing our student academic standards after admission in order to provide enrichment is through:

- Unit tests and slip tests
- Assignments and group discussions
- Seminars by students on the basis of above the students are analyzed as poor, average and bright.
- The department is providing remedial coaching to the poor student in the subject.
- The department is giving assignment to the average and poor students.
- The department is giving student study projects to the bright students as group wise.
- The department organized extension lectures yearly.
- The department giving COMPETATIVE EXAMS coaching for interested students.
- The department conducted fresher's party and farewell party.
- The department celebrated "HUMAN RIGHTS DAY".
- The department is giving motivations to the students each day at least five minutes.
- The department conducted quiz, debate and mental ability test.

Thank you
