## **HANDS ON TRAINING ON MAKING OF POWER POINT PRESENTATION FOR THE ENTIRE FACULTY**

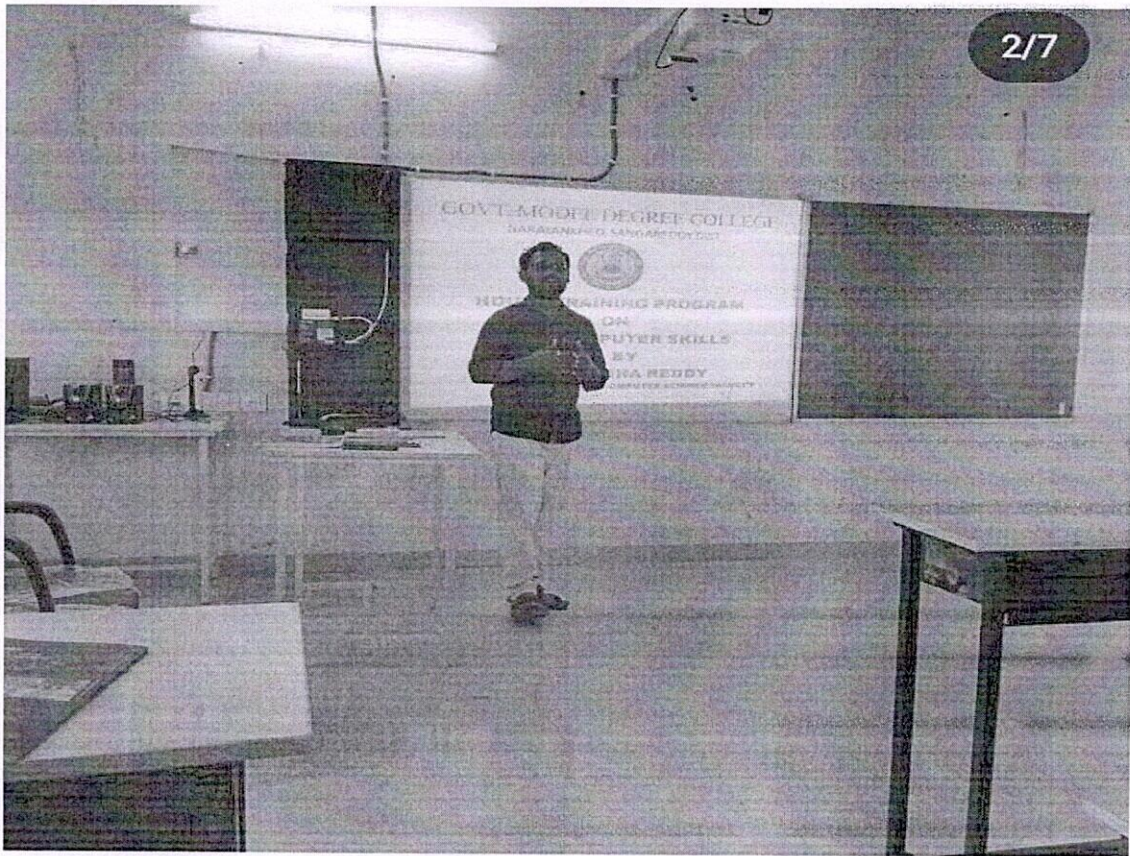

The necessity of ICT/PPT/AV in teaching plan it gives the best way of communication between the student and Lecturer, due to the significance changes in college Environment, teaching staff to contribute to the smooth operation of a virtual class and projector, therefore the need to train and develop their ICT/PPT skills has become vital.

By attending this training, the participants will be known to new ways of learning and making abilities in Power Point Presentation.

### Training Objectives:

By the end of the training participants will:

1. Clearly understand necessity of Power Point Presentation.
2. How to create the PPT presentations.
3. How effective presentations will be prepared by using animations, graphs and transitions.
4. PPT gives you an easy communication between the Teacher and Student in ICT/PPT/AV teaching methodology.
