Policy of the college for introduction of Add On/ certificate program

Government Degree College Narsampet has an inbuilt and continuing policy of introducing Add On / Certificate programs covering the skills such as soft skills, computer skills along with the subject related skills in all the programs offered by the college. The college offers atleast one certificate program in each year to all the students in various programs.

Each certificate program is offered for a minimum of 30 hours. However the Add on programs are designed depending upon the topics to be covered in the course. The syllabus is designed by keeping in mind the latest developments relating to the program and also ensures to improve the overall analytical and decision making skills of the students.
