I would like to thank Mahindra Pride Classroom and Mr.Sripad for a wonderful intervention for the past 7 days.

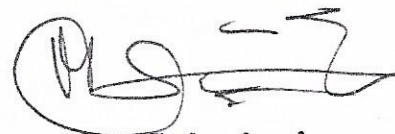

Today by the end of the session I am really confident of the necessary transformation within our students and this would help us moving forward in our journey.

The participation, intent and involvement of students are a clear indication of training being full of energy and knowledge.

I would really like to appreciate Mr. Sripad for his true efforts and passion for the past 7days...

He has really gelled well with every student and the complete teaching staff which is sheer example of great interpersonal skills.

Finally I would once again take this opportunity to thank the complete team of Naandi Foundation for their presence and would like to invite such programs in the future to come.
