Feed Back Analysis of Teacher performance given by students and parents on college facilities

**2018-19**

A staff meeting is conducted by the Principal & IQAC to analyze the Feed Back given by the students on Teacher performance and the following suggestions and instructions are given to all the staff members of college:

1. To encourage the students to visit library and make use of the books, journals, magazines and news papers regularly. To conduct academic competitions which increase the scope for visiting library
2. To conduct Workshop to improve the skills of teachers in delivering the content of the subject so as to make students understand lucidly.
3. To utilize ICT tools in teaching –learning process to the maximum possible extent.
4. To encourage all the students to take part in class seminars, and also encourage advance learners to engage classes to lower sections to inspire other students.
5. To identify slow learners and failed students through Mentor-Mentee data, and conduct Remedial classes regularly on previous topics after the regular class work.
6. To use student centric methods, by involving students in the programmes like Study Projects, Field visits, Case study etc.
7. To conduct special programmes by TSKC for career guidance and future opportunities.
8. To submit proposals for construction of compound wall and gates for safety and security of the college belongings and students.
9. To improve library and sports facilities by purchasing books, competitive magazines and sports material and encouraging students to make use of them.
10. To strengthen the Placement and Guidance Cell (TSKC) of the college, by wide publicity of different opportunities available to students after graduation and also conduct trainings to impart competitive skills and knowledge.
