ECO-CLUB

PLANTATION PROGRAMME AT KOMMEPALLI RESERVE FOREST

15-07-2017

To increase the Tree cover from present 24% to 33% in the State of Telangana, Government started a Flag ship programme "Telangana Ku Haritha Haaram"

Objective: Rejuvenating degraded forests, and to increase tree cover in area outside the notified forest areas.

- Eco-club conducted Haritha Haram programme with support of NSS volunteers, NCC volunteers, and NCC,NSS program officers along with principal, staff, and students of JVR GOVT. COLLEGE Sathupally
- On the occasion of this haritha haram program for the sake of protection of the environment and avoid the pollution and for the aesthetic sense we are planted the plants
- On the 15-07-2017 in morning session principal, staff and students along Forest Department we have gone to Kommepalli Reserve Forest by bus.
- This forest is 1km way from kompalli , students, staff, forest department, police department planted nearly 2000 different species plants
- the above plants are taken care of by forest department through the year till they survive
- Forest Department, Divisional Forest Range Officer Smt. UMA, circle inspector sri. Venkanna along with sub inspector constables and Forest Beat Officers are involved.
