

Vision, Mission and Objectives

Date: 15th November, 2018

VISION:

- To enable the deprived sections of the pupils to enter the portals of knowledge society, by making higher education accessible to them in the near future, through various adoptable and innovative teaching methods.
- To enable the youth and their intellectual resources to be more creative, innovative, employable, and self-reliant. Thus, the college sincerely intends to attend to the same objectives of the youth of this marginalized region endeavouring to make them socially responsible and good citizens. All efforts are made to channelize their latent talents in strengthening the economy of the nation in global scenario.

MISSION:

- ✓ To give a fillip to higher education and enhance literary ratio by spreading higher education to nook and corner of the tribal areas.
- ✓ To motivate the students to acquire employable and soft skills.
- ✓ To transform the pupils into confident, self-reliant, socially responsible, and independent ones to lead an ideal life with good virtues.
- ✓ To equip the students suitably to realize their innate potentialities to unravel the hidden, invaluable global resources so that they can certainly be able to see the nation as a developing one through their contribution by means of their laudable efforts.

OBJECTIVES:

- ❖ The main objective of the institution is to achieve social equality and provide higher education to the marginalized, as well as underprivileged sections of society. This alone shall make them self-reliant.
- ❖ To enthuse, to augment their resources and thereby empower the rural students to compete on par with their urban counterparts by imparting employable skills and also computer awareness programmes. This, for sure, helps them to attend various competitive exams and come out successful.
- ❖ Making the students equally socially responsible by enabling them to participate in various programmes like NSS, Eco club, Red Ribbon Club, Consumer Club and observing the days of national importance.
- ❖ To encourage the students to fruitfully appear for various post-graduation, professional and competitive entrance examinations.
