

# **GOVERNMENT DEGREE COLLEGE SCIENCES, ADILABAD**

## **About JKC**

Jawahar Knowledge Centre (JKC) project was introduced by Collegiate Education with the support of the Government in 2005-06 to help students learn and practice employability skills and is a dependable solution to the problem of unemployment faced by students studying non-professional courses in Government Degree Colleges.

### **Objectives:**

- Design curriculum integrally related to the needs of the job industry.
- Ensure all students' and stakeholders' needs are understood, focus on problematic areas like "voice based efficiency" and "accent with minimum mother tongue influence" to provide a sustainable solution to the demands of the placement generating companies.
- Generate modules tailored to the learner's level of proficiency, lesson plans and study material by utilizing the expertise of faculty in GDCs who were trained by ELF Master Trainers from the US and Infosys.
- The student on completion of training should comfortably and confidently use employability skills in a variety of social and business situations.
- Improve their learning outcome.
- Expand Training package to include courses that are in demand and promise 100% Placement opportunity like TALLY, MS Excel, Networking, Hardware etc.

### **Plan of Action**

1. Students in JKCs of Degree Colleges will be divided into two groups taking their future outlook/plans into consideration.
  1. Students interested in pursuing higher studies after graduation and opt JKC training to obtain skills & Personality development.
  2. Students requiring JKC training for immediate employment
2. Select a team to identify local job opportunities and make a list of local companies' organizations that can provide jobs/ internship programmes.
3. Evolve a consistent and reliable evaluation system with evaluating indicators and Evaluators to conduct periodical evaluation of performance of students undergoing training and maintain Performance Report Cards.
  - Complete 3day training in specific job skills
  - On the job training / internship programme
  - Placement Assistance

## **TSKC from 2016 onwards.**

### **ABOUT TSKC**

The ever increasing prominence of India on the global map has led to a growing demand for hard working and talented students with good communication skills, computer skilled and industry related skills. The doors of global job market are opened to students who can speak fluently, compute quickly, write legibly and analyse logically. The conventional curriculum offered through B.A., B.Com and B.sc., courses does not impart requisite skills relevant for dynamic job market especially that of emerging industries like Software and BPO. The Department left the need to offer training to bridge the skill deficit of students and to enable them seize employment opportunities in job market.

After the formation of new state of Telangana, the programme is being followed with a fresh vigour. These JKC Centers now being called Telangana Skills & Knowledge Centers have expanded their scope and competencies. Based on the direction of Hon'ble Chief Minister few more programmes have been introduced to transform Education into a vehicle of change and adaptability of the students' prerequisite skill sets. The number of TSKC laboratories is increased to 85 with the introduction of 20 new TSKCs laboratories in this year. Introduction of Online courses, 5 Certificate courses are the programs taken up from TSKCs plat form during 2015-16.

To encourage the students in all the GDCs, the CCE has initiated the training program, a mandate course to be transacted in 3 years for all the students from the academic year 2016-17 with 2 credits. The curriculum has to be transacted to all students @ of two periods per week and the students have to work on assignments given.

In view of the initiative of the CCE, the TSKC curriculum is redesigned in such a way that the student entering into the GDC shall be able to compete for an opportunity in the growing market. And the curriculum also encourages students as not only job seekers but also entrepreneurs to plan for start ups.

The hours (02) allotted for each course in a week will have to be shared by the teachers of the course along with the FTMs in the curriculum transaction in the following way.

The skills are imparted through Telangana Skill Knowledge Centre (TSKC, earlier known as JKC) in Government Degree Colleges to help students learn and practice employability skills. These centres aim to provide solution to the problem of unemployment faced by students studying non-professional courses in Government Degree College. In the new state government has revamped the skill centres to extend activities such as Spoken Tutorial, C2C and Certificate Course.

## **OBJECTIVES**

- To impart requisite skills relevant for dynamic job market and to enable students to seize employment opportunities.
- To provide latest technologies to the students from poor and marginalized sections of the society and to encourage them to complete with their counter urban counterparts.
