(ISO 9001:2015 CERTFIED)
(Affiliated to Osmania University & Accredited by NAAC with "B++" grade, 2.88 CGPA)

ABOUT THE COLLEGE

PART I: BACKGROUND OF THE INSTITUTION

Sri Rama and Bhaktha Gentela Narayana Rao Govt. Arts & Science College, Khammam was established in the year 1956 under private management. The then Chief Minister Sri Boorgula Rama Krishna Rao and Sri G.V. Butt, the then District Collector of Khammam took the initiative for its establishment along with a committee formed with the elite of the town. The primary objective was to provide higher education to the students of the marginalized sections and Tribal community of Khammam District. The College was named after the Chief Donor, Sri Gentela NarayanaRao. The College was taken over by the state government on 1-09-1959 and it acquired permanent affiliation to the Osmania University in 1972. Eventually the affiliation is transferred to the Kakatiya University, Warangal.

Under the able and missionary administration of Principals like K.Y.L Narasimha Rao, D. Natesan, Bankat Lal Agarwal, Dr.K.S.R. Sharma and M. Ramachander Rao the College has grown into an Identified Lead College in the district with a potential to produce a student force equipped with academic excellence and global skills.

The motto of the College is **'Enter to Learn, Leave to Serve'** with a mission to produce autonomous learners who turn out to be independent, self-contained, confident human resource to the nation. In the long history of its onward march towards imparting quality instruction, supported by technology, the College introduced Restructured and Self Finance Courses in addition to the Conventional Courses it has been offering since its inception. With the onset of technology-driven society, the College realized the need to address global demands and began to impart instruction and training in communication, soft and employable skills through a mechanism of its own.

The College acquired state-of-the-art technology, automation, net connectivity, added infrastructure and so on in its long journey towards fulfilling its vision and mission. Many a support service are instrumental in imparting value-based, quality instruction to the young of the most needy and marginalized sections of society who also happen to be first generation literates.

The college has an efficient internal co-ordination mechanism helping the smooth conduct of academic and administrative matters.

The college Library has more than 50,000 books. Telangana Skill &Knowledge Centre **(TSKC)**, a unique program of the Government of Telangana which enhances the employability, is functioning well in the college. Hon'ble Commissioner of Collegiate Education has reached an MoU with Telangana Academy for Skills and Knowledge (TASK). Aspart of this, the college has been offering Skills for employability to students. TheCommissionerateofCollegiateEducation**(CCE)** recognizingitsacademic

andadministrativeexcellence, identified this college as a "Identified College" **(ID College) &** District Resource Centre **(DRC)** from where it discharges several academic and administrative functions in monitoring all the Government Degree Colleges in the district.

NAAC Accreditation:

In recognition of its academic quality and excellence, the National Assessment and Accreditation Council **(NAAC)** has accredited the College with **B^{++} grade** in May,2017.

CURRICULAR ASPECTS:

The college has been serving the society for the past 6 decades. It is the first Autonomous College under the jurisdiction of Kakatiya University. All the department shave BOS and entire administrative structure was remodeled to suit the needs of autonomy. The college opted for CBCS which gives a lot of scope for improvement. We have enrolled with SWAYAM & IIT Bombay MOCCS to improve the computer literacy among the students & the staff. The students of college who excel in their academics are given incentives. The students who get admission in to PG courses of Central universities are given Rs.50,000/-a year & a laptop as an incentive by the Commissionerate of Collegiate Education, Telangana.

TEACHING-LEARNING AND EVALUATION:

Admission process is conducted through DOST. The college follows transparency in admission process. The admissions into colleges have been made on-line since 2016.The college ensures that all the students from disadvantaged sections of society receive scholarships and more than 90% of the students are drawing scholarships. Experiential learning is encouraged and students participate in the study projects. Our student study projects won state level awards under the JIGNASA Student Study Projects. The college has adopted external paper setting and evaluation. This ensures absolute transparency and objectivity. The library has copious volumes of books. The students can use and benefit by using INFLIBINET N- LIST. Student centered methodology is followed. Several teachers have enrolled themselves into Ph.D programmes. Sstaff of the college have presented TSAT TV live sessions.

RESEARCH, INNOVATIONS AND EXTENSION :

The teaching staff have 26 PhDs. and 38 qualified UGC/SLET/NET. The online resource such has INFLIBINET, N- LIST and plethora of e- books are available.
The Departments of Telugu, English, Chemistry and Economics organized two National Seminars sponsored by RUSA and other agencies. Apart from this, various departments of the college organized many National Level, state Level, District Level and college level research related activities (including webinars). Various departments reached MOU's with reputed and service-oriented organizations.

INFRASTRUCTURE & LEARNING RESOURCES:

The college has potential to grow and serve the society. It has adequate number of classrooms and laboratories. The Hon'ble Commissioner has permitted for the construction of administrative block and the construction is in progress.
Virtual class room was sanctioned by the CCE, T.S. The college also has LCD projectors and interactive white boards. College has INFLIBINET N-LIST Subscription Access to E-Resources, E-Books and e resources. Students can access INFLIBINET.

STUDENT SUPPORT & PROGRESSION

Mentor mentee system is practiced in the college. More than Ninety percentage of students have been receiving welfare scholarships and bus passes. One of our students participated in the National Integration Camp. Our students also participated in NCC, RD Parade , Thal Sainik Camp, Trekking camps, The Grievance Redress cell looks after genuine complaints and suggestion of the students. Not a single incident of ragging was reported. The college has an active Women Empowerment Cell. To check the menace of sexual harassment, the Internal Complaints Cell was established.

GOVERNANCE, LEADERSHIP AND MANAGEMENT:

The college has a well-articulated vision and mission. With the college embarking on autonomous status new administration has come into focus. Boards of Studies were formed. They adopted new syllabi in their respective subjects. The Academic council and Governing Body were formed. The syllabi (including certificate) and courses examination pattern of the BOS were ratified. The Governing Body formulates policies. All the syllabi have been transacted and evaluated as per CBCS in Autonomous mode. The devolution of responsibilities has been executed and administered by the way of committees/cells. Each committee/ club /cell has its own pre-determined roles and responsibilities.

The IQAC looks after the quality initiatives. It drives the institution towards quality goals. It helps the college in attaining and sustaining quality.

ENVIRONMENTAL INITIATIVES AND BEST PRACTICES:

The campus is lush green with salubrious environment. The campus has become eco-friendly. The college has three NSS units. Efforts are on to minimize the use of plastic material and petroleum by-products. Saplings were planted by NSS volunteers. Harithaharam and Swachh Bharath have been observed and students actively take part in them.

Green   audit   is   regularly   conducted

SWOC ANALYSIS

METHODOLOGY:

The Internal Quality Assurance Cell (IQAC) of the College conducted a SWOC Analysis of the College.

A SWOC analysis of the College in its various facets is presented based on aspects like:
• Feedback from various stakeholders - students, parents, alumni, present faculty
  members and former faculty members.
• Self-Appraisal/Academic Performance Index (API) of the Faculty
• College Annual Reports
• Academic Audit conducted by Commissioner of Collegiate Education every year.

STRENGTHS

Autonomous status to the institution.
Semester System with Choice Based Credit System
Continuous Internal Assessment
Student Support Services
College is well connected to all parts of the town and the neighboring villages.
Sufficient land available for construction of new class rooms in 27 acres of campus area.
Adaptability and accessibility of faculty for students.
Well qualified and experienced faculty

26 of the teaching Staff have Doctoral degree(Ph.D).

10 Conventional courses, 07 Restructured UG Courses and 08 Self Financed PG courses.
Well equipped laboratories.
Add- on &Certificate Courses.
JKC/TSKC and ELL Labs.
Faculty with Minor / Major Research Projects
Safe drinking water, water purification plant (R.O)
Co-operative stores and canteen on the campus
Well maintained GYM facilities available in indoor stadium.
On campus open University Study Centre (DRBRAOU)
An Arboretum located in 7 acres of land in the College with medicinal plants.
3-Smart class rooms with interactive boards.
One virtual class room
Huge library with more than 50,000 volumes of text and reference books.
One Conference hall with 150-seating capacity and one Auditorium with 300-seating capacity.
40-kv Power Generator.
SHLC (Special Help Line Centre) for DOST and other admissions processes.
3-Units of NSS and 1- unit of NCC.

❖ Women's cell and Internal Complaints Committee look after issues of women stakeholders.

❖ Eco friendly and lush green campus.

Weaknesses:-

Conventional Learning Resources

Running in shift system due to shortage of class rooms

Shortage and lack of skilled non-teaching staff

No major linkages with industry

Lack of student exchange programs due to policy matters

Lack of in campus hostel facilities for girls

First generation learners and vernacular medium students.

Lack of Consultancy Services

Lack of employability of the students

No Patents

Lack of financial resources for further augmentation of infrastructural facilities.

❖ Much need to be done on sustainable energy resources.

❖ Impediments for exchange ofstudents.

Opportunities:

Institution has potential for NAAC **"A+"**Grade.

Potential for producing national and International sports men.

Potential for establishing interdisciplinary courses at U.G level.

Institute has potential for wide range of research activities with the aid of sufficient financial support.

introduction of new technologies in teaching-learning process

Most of the faculty are native to the area and share cultural background with students

that facilitate in creating a suitable teaching-learning environment.

To increase number of add-on and skill-based certificate courses.

Attaining coordination of the curriculum with employment opportunities

Improving interaction with the industry

❖ The town is in the district headquarters.

❖ The college has become the District Resource Centre(DRC).

❖ The college is known as ID college and acts as a nodal college between the CCE and other government degree colleges of the district.

❖ This gives a lot of scope for improvement in services of the college.

❖ The autonomy gives a scope for innovation.

Challenges:

⊙ To mould the first generation learners with rural background.
⊙ High student-teacher ratio in some departments.
⊙ Fluency in English communication is yet to gain momentum
⊙ Academic activity is dominated by teaching, learning and evaluation. Efforts have to be made to give research a relatively better priority.
⊙ Adjusting to the continuously changing and multi-dimensional environment in Higher

education is a challenge.

○ There is a decreasing trend of students taking admissions in conventional undergraduate programs.

❖ There are private degree colleges in the town.

❖ They lure students with incentives to get their admissions.

❖ Research facilities need to be increased.

PROPOSED OUTLAY OF PROJECTS FOR– 5 YEARS

A). Proposal-I: Creation of New Facilities				
S. No.	Decrypting of building	No. required	Justification	Remarks
1.	Class rooms	37	To accommodate increased student strength of B.A/B.Com/B.Sc, with a extra block of classrooms and to run the college in regular timings	
B). Development of New Facilities/ New equipment for Enhancement of Quality in Teaching				

Learning Process			
1.	Computer Centre for Computer Science Students	Establishment of Computer centre for Computer science students with 300-desktops Computers.	
2.	Computer Centre for Business Analytics Lab	Establishment of Computer centre for B.A & B.Com-Computer students with 100- desktops Computers.	
3.	Augmentation of Physics, Chemistry and Electronics Laboratories with New equipment.	Replacement of age-old equipment with new items, glass ware and renovation of the existing for UG and PG students	
4.	Upgradation of Laboratories of Biological Sciences with New Specimens and equipment.	Upgradation of Botanical arboretum, Laboratories of Biological Sciences with New Specimens and equipment.	
5.	Strengthening of ELL (English LanguageLab).	For the Soft Skill Development of Increased uptake of the Students.	
6.	Strengthening of Library Resources	For the Upgradation of e-library and digital library 50-desktops	

Development of Research Centre

1.	Research equipment for Dept. of Physics	For carrying research work of faculty and for project works of UG & PG students
2.	Research equipment for Dept. of Chemistry	For carrying research work of faculty and for project works of UG & PG students
3.	Research equipment for Biological Sciences (Botany, Zoology, Microbiology, Biotechnology and Biochemistry)	Establishment of green house unit, vermicompost unit and Incubation centre for studying biological activity studies. COD, BOD equipment.
4.	Management Information and Learning Systems with new software updates	For B.A, B.Com (Comp) and BBA students
5.	Digital classrooms 40-no's	For ICT class rooms
6.	Virtual classrooms 4-no's	For ICT Class rooms
7.	Internet facility to total college campus	For High speed internet (100 Mbps)

As the college is located in Khammam City, the district head quarters and having a history of more than 60-years of successful years and from the past 5-years being autonomous college, there is huge demand for the admission in thecollege.

The college is offering more than 28-UG courses which requires 80-class rooms and

8-PG courses requires 16-class rooms, 46-Laboratories but has only 43-class rooms. Due to this shortage of class rooms, college is running under shift system with Arts and Commerce (BA & B.Com) in the morning shift (8:00AM-2:30PM), B.Sc-Physical and Life Sciences in the evening shift (10:30-5:00 PM). **High priority is now for additional class rooms and Laboratories as much as possible.**

The present requirement is mentioned based on need to change shift system into regular timings (09:30AM-4:30PM).

Proposed Five-Year Implementation Plan

a). Detailed and tangible action plan, milestones, and timelines by which it seeks to achieve high performing status to be achieved in Five-years.

- ➢ To run the college in regular timings i.e. 9:30AM-4:30PM from the present shift system by constructing 30-additional class rooms and 28-Laboratoriesimmediately.

- ➢ To develop more smart classes (20 Class Rooms) to enable more focused digital teaching and learning.

- ➢ To renovate the water supply RO-plant to provide safe drinking water for all the students.

- ➢ To develop incubation centre and centralized research Laboratory for research and industrial collaboration.

- ➢ To provide the cafeteria facilities to the students and staff.

- ➢ To develop the college as research oriented resource-centre for the students and nearby academic institutions and for the society.

- ➢ To provide skill enhancement to the unemployed youth by introducing employment oriented certificate courses.

- ➢ To have more MOUs and collaborations with the CSIR-research centers and industries, to enable the students more exposed to the latest developments in the field of Science and Technology.

- ➢ To achieve NAAC "A$^+$" Grade in next cycle of accreditation.

- ➢ To establish Computer centre for Computer science students with 300-desktops

Computers.

➢ To establish Computer centre for B.A & B.Com-Computer students with 100- desktops Computers.

➢ Planning to start P.G. Courses M.A.(English), M.A.(Public Administration) M.C.A. and M.B.A.

➢ Planning to implement apprenticeship programme in final Semester of U.G. by getting MoU with industries.

➢ Replacement of age-old equipment with new items, glass ware and renovation of the existing laboratories for UG and PG students.

➢ Up gradation of Botanical arboretum, Laboratories of Biological Sciences with New Specimens and equipment.

➢ To establish research laboratories to carry research work by the faculty and for project works of UG & PG students.

➢ Establishment of green house unit, vermin-compost unit and Incubation centre for studying biological activities.

Present and future Needs:

S.No.	Description of Building	No. of required	Proposed area (sft)	Justification
1	Class rooms	37	30x60 sft	To accommodate new courses and students

2	Laboratories Labs (computer included)	28	40x60 sft	To conduct Practical classes
3	Centralized Research Laboratory	01	50x70 sft	To Promote research
4	English language labs	02	30x60 sft	To Promote Language and communication skills
5	Toilet Blocks	04	30x60 sft	02 blocks for Gents, 02 for Women
6	Cafeteria	01	30X70 sft	To provide refreshments
7	Auditorium	01	General size	
8	Health centre room	01	General size	

Perspective Plan for 2020-30

Criteria-I: Curricular Aspects

- To strengthen existing programmes and introduced new programmes to cater to the needs of society and bring in changes in the existing programmes.
- To apply and get college of excellence.
- To introduce as many skill oriented and entrepreneurship related courses aspossible.
- To get an A Grade in the next cycle of NAAC
- To strengthen Feed – back system.

Criteria-II: Teaching-Learning and Evaluation

- To strengthen well defined, transparent admission process.
- To strengthen ICT information communication technology
- To work towards gender equity
- To make the learning environment disabled friendly
- To motivate teachers to opt for interactive and participate teaching methodologies.
- To promote teacher quality
- To introduce reforms in evaluation process.

Criteria-III: Research, Consultancy and Extension

- To construct a dedicated research center and attract talented researchers to the institution there by serving the society through research.
- To promote research culture to mobilize resources for research from various sources.
- To increase the number of quality publications
- To become a cynosure of activity in quality research and consultancy services
- To increase the extension activities to serve the society.
- To increase number of collaborations
-

Criteria-IV: Infrastructure and Learning Resources.

- To provide adequate physical infrastructure and other support facilities for curricular extra – curricular activities.
- To provide sufficient facilities in making the institution employee ICT for a range of activities.
- To allocate sufficient resources for constant upkeep of the infrastructure

Criteria-V: Students support and progression.

- To increase the number of students who participate in National, International games.
- Security shall be monitored through CCTV.
- Provision of sports coaching to deserving candidate through private sport clubs.
- Students securing excellence in academics and co- curricular activities shall be felicitated and encouraged with cash prizes and mementoes.

- To establish and strengthened guidance Cell, placement Cell, and other Cells/departments/facilities for mentoring students
- To facilitate vertical movement of students by deploying ICT
- To increase student participation in all activities
- To promote value education

Criteria-VI: Governance and Leadership.

- Work towards the realization of vision
- To empower faculty to update themselves.
- To institutionalize transparent mechanisms for financial management and mobilization of resources
- To strengthen the IQAC

Criteria-VII: Innovative Practices

- To work for carbon neutral campus
- To establish mechanism for energy conservation, rainwater harvesting, water recycling and environmental protection
- To create a culture of innovation
- To promote quality culture
- To establish and enhance best practices.

BY SPEED POST

No.F. 22-1/2015(AC)

April, 2015

2 9 APR 2015

The Registrar,
Kakatiya University,
Vidyaranyapuri
Warangal – 506 009,
(AP).

Sub:- Conferment of Fresh Autonomous Status to S.R. & B.G.N.R. Govt. Arts & Science College, Khammam-507 002 (AP) affiliated to Kakatiya University, Warangal

Sir/Madam,

This is with reference to the proposal submitted by S.R. & B.G.N.R. Govt. Arts & Science College, Khammam-507 002 (AP) affiliated to Kakatiya University, Warangal under the UGC scheme for autonomous colleges.

On the basis of the report of the UGC Expert Committee and on the basis of the recommendations of the Standing Committee, the Commission at its meeting held on 23.04.2015 decided to grant autonomous status to S.R. & B.G.N.R. Govt. Arts & Science College, Khammam-507 002 (AP) affiliated to Kakatiya University, Warangal under the UGC scheme for autonomous colleges for a period of six years w.e.f. 2015-2016 to 2020-2021.

Kakatiya University, Warangal may now go ahead and issue necessary orders in this regard by endorsing a copy of the same to this office for our records. The admissible grant under this scheme will be released to the College as per its eligibility, according to the norms as laid down in the XII Plan Guidelines for Autonomous Colleges by The Joint Secretary, UGC South Eastern Regional Office, PB No. 152, APSFC Building, 4th Floor, 5-9-194, Chirag Ali Lane, Hyderabad – 500 001.

Yours faithfully,

(MANJU SINGH)

6	B.A. CBCS any 3 Subjects from (History-Economics-Political Science-Public Administration/ Computer Applications/ Telugu ML)	Telugu	Regular/ Restructured	180

It is to be noted that, though the management of the college should normally obtain affiliation from the university during the respective academic year, as per the rules in force after withdrawing the new un-aided UG courses, but, because of the situation prevailing due to COVID-19, the temporary extension of affiliation is being granted by the University without undertaking any physical inspections of the college, as a special measure only, due to the existing compelling circumstances caused by the prevailing COVID-19 pandemic. Further, the Kakatiya University grants temporary affiliation as the Telangana State Council of Higher Education, Hyderabad has also already given permission to the respective colleges for new un-aided UG courses / additional sections / combinations, since it is not possible at this juncture to undertake physical inspections of the colleges due to the prevalence of the COVID-19 pandemic.

The above temporary extension of affiliation shall be subject to the following terms and conditions:

1. The college management should provide adequate and sufficient accommodation as per the university directives for the management and running of the existing and as well as the new courses.
2. The College Management should renew affiliation from the university during each academic year until permanent affiliation is granted by the University as per the rules existing in force and as amended from to time.
3. The College Management should submit the FIRE SAFETY CERTIFICATE to the University within thirty (30) days from the date of permission of temporary affiliation for the maintenance of the college without fail.
4. The College Management should abide by the regulations issued by the State Government of Telangana from time to time in respect of rules of reservations during the process of the admission of students and the appointment of teaching staff.
5. The college management should make appointment of eligible teaching staff as per the rules and regulations issued by the University / Government of Telangana from time to time.
6. The infrastructure of the buildings such as accommodation, land, playgrounds, lab-equipment, library, furniture etc. should be improved as per the requirements for efficient maintenance of the college.
7. The College Management should not make any claim for grant-in-aid now or in future under any circumstances.
