## Display Boards in Campus

In this program our college principal, staff & Students participated. The main reason is to conducting this program is too awareness not to use the "PLASTIC"

## **Awareness Rally on Corona Virus**

An awareness Rally on Covid-19 was conducted by Eco Club & NSS units of the college. Staff and students participated in the Rally.

## Swatch Bharath

Swatch Bharath program was organized by Eco Club in the college campus. In this Program our Eco Club Volunteers and NSS actively participated.

## Distribution of ECO Friendly Ganesha

Eco-friendly Ganesha idols are those that are made of clay, natural fibers, paper and other biodegradable materials these idols, when immerse in water degrade faster and do not harm the Environment as much as the once made of POP.

Eco Club volunteers of MKR Government Degree College made Eco friendly Ganesh on the eve of Vinayaka Chethurdhi. Eco club distributed eco-friendly Ganesh to our Municipal Chairperson Sri. Alampally. Narasimha garu, Devarakonda and our faculty members.

## Clean campus Program

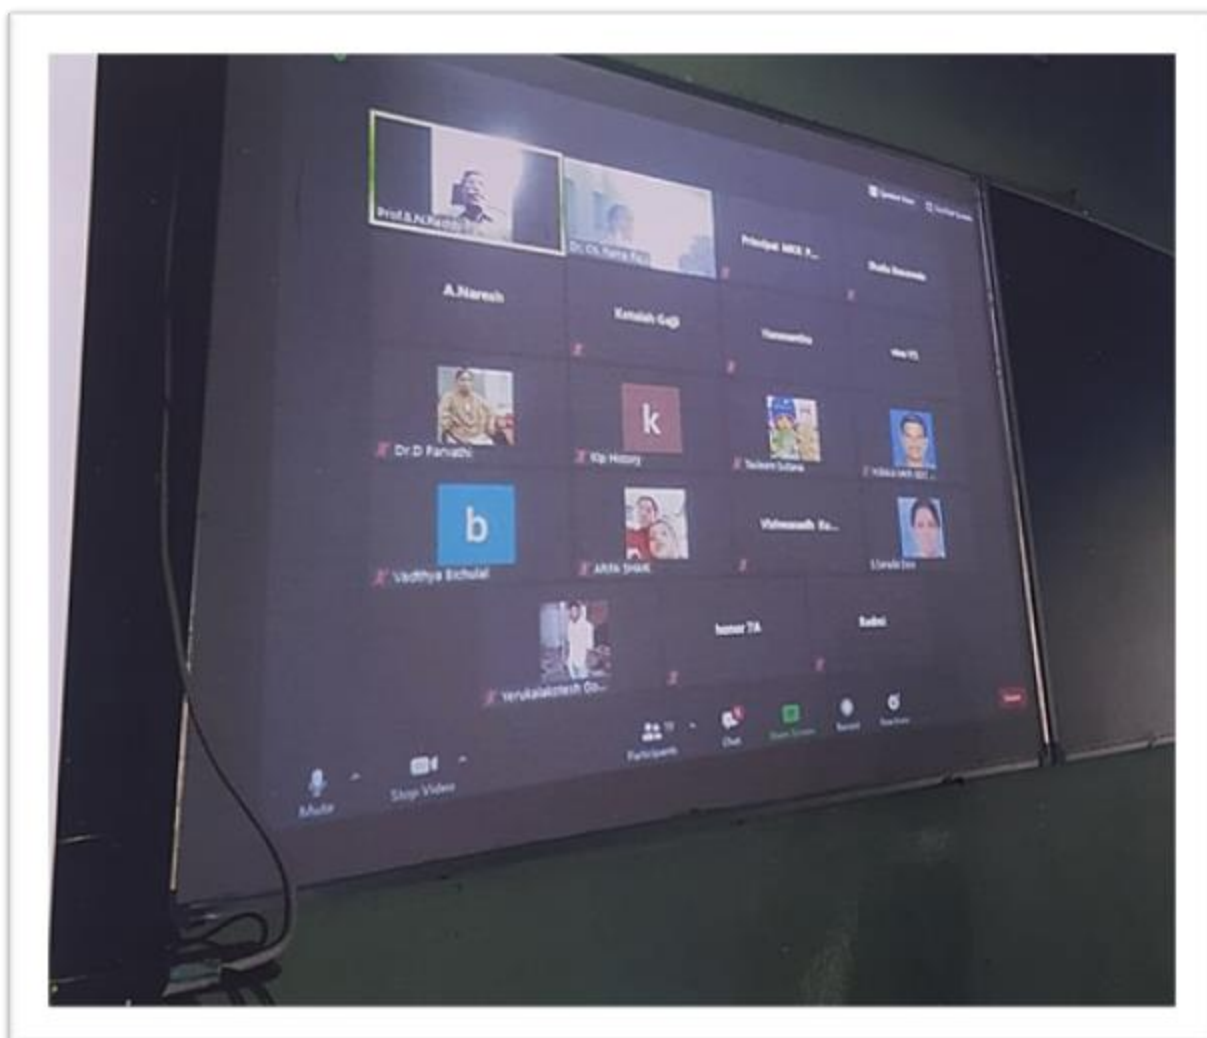

A clean & Green program was conducted by Eco Club at MKR Govt Degree College, Devarakonda. Eco volunteers participated in the program. They have undertaken programs like Removing Waste dry dust, watering of plants, sweeping the internal roads of the college.

## Soil Day

MKR Govt Degree College, Devarakonda held a guest lecture on 5<sup>th</sup> December to focus attention on the importance of healthy Soil and to advocate for the Sustainable management of Soil resources.

Prof (retired) B.N. Reddy in his lecture elaborately discussed the importance of Soil health and Soil bio diversity. This program was conducted in online mode due to Covid-19.

## **Making Paper Crafts to avoid Plastic**

Eco Club of MKR Govt Degree College, Devarakonda planed a program on Making Paper bags to avoid plastic. Our students made some paper bags by using normal Newspapers and charts. Paper craft is a collection of crafts using paper or card as the primary artistic medium for the creation of two or three-dimensional objects. Some of our students made some bags and bouquets to aovid plastic.

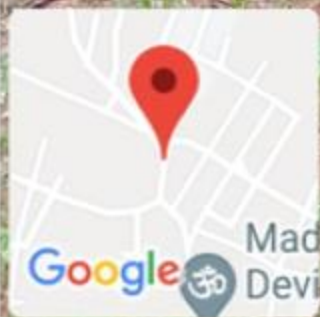

# QR Codes to Plants

ECO-CLUB and collaboration with Dept. of Botany decided to prepare, fixation of Q.R CODE for which plant species is growing in college premises.

Q.R. CODE aim is that, if student can scan Q.R. CODE by mobile camera then he will get plant vernacular name, scientific name, family, medicinal uses, economic importance and also date of plantation, etc.

On 02/07/2021 Sri. Dr. Ch. Rama Raju, Principal has enabled the fixing of Q.R CODE on the plants. And staff members of all departments and volunteers are also fix Q.R CODE plates fix on varies plant species.

# **ECO CLUB ACTIVITIES**

## **(2019-20)**

### **Activities List**

- ❖ Clean and Green Program
- ❖ Plantation Program
- ❖ No Vehicle Day Program
- ❖ Displaying sign boards

## Clean and Green Program

A clean & Green program was conducted by Eco Club at MKR Govt Degree College, Devarakonda. Eco volunteers participated in the program. In this program our students participated very actively. They collected the waste material. Keeping the environment clean and green is of utmost priority to sustain a healthy evolution of life.

## Plantation Program

Plantation program was conducted by Eco Club at MKR Govt Degree College; Devarakonda. Eco volunteers participated in the program. Trees help to improve air quality by intercepting and trapping dust and other pollutants from the air. The shade of trees also provides a useful barrier to harmful ultra-violet radiation from the sun. Students planted the plants with enthusiasm and they feel very happily.

## NO VEHICLE DAY PROGRAM

Eco Club of MKR Govt Degree College, Devarakonda planed a program on No Vehicle Day Program on every Saturday. Our staff and students' vehicles are parked in front of college gate. Those are very co-operative.

## Displaying Name Boards to Plants

Eco Club of MKR Govt Degree College, Devarakonda planed a program on Displaying sign boards to every plant in the college campus.

## Tree Plantations

Eco Club members, students and staff of MKR Govt Degree College, Devarakonda planted around 20 trees in the college premises.

## Environment Bins

Classroom biodegradable waste is collected by the green volunteers of Eco Club and has been dumped into a pit and subjected for composting.

## Clean and Green Program

A clean & Green program was conducted by Eco Club at MKR Govt Degree College, Devarakonda. Eco volunteers participated in the program. In this program our students participated very actively. They collected the waste material.

## Haritha haram Program

To sanitize the students towards importance of plantation, a Haritha haram program was arranged by the Eco Club Coordinator Dr. Ch. Rama Raju enlightened the students about the significance of planting trees and motivated the students to protect and conserve the environment. He also encouraged them to plant saplings in their vicinity for a greener world.

We are planted the following plants

- Teak 25
- Kanuga 35
- Tamarind 20
- Neem 20
- Nerudu 20
- Flowering Plants 20

## Bathukamma Celebrations

Eco Club Committee members and NSS members celebrated Bathukamma in college campus.

The Telangana entire state has been celebrating Bathukamma since thousands of years ago. after celebrating the Bathukamma, these flowers are leaving in the nearest water bodies. After some days these flowers releases chemicals in to water and water get purify.

# **ECO CLUB ACTIVITIES**

2017-18

## **List of Activities:**

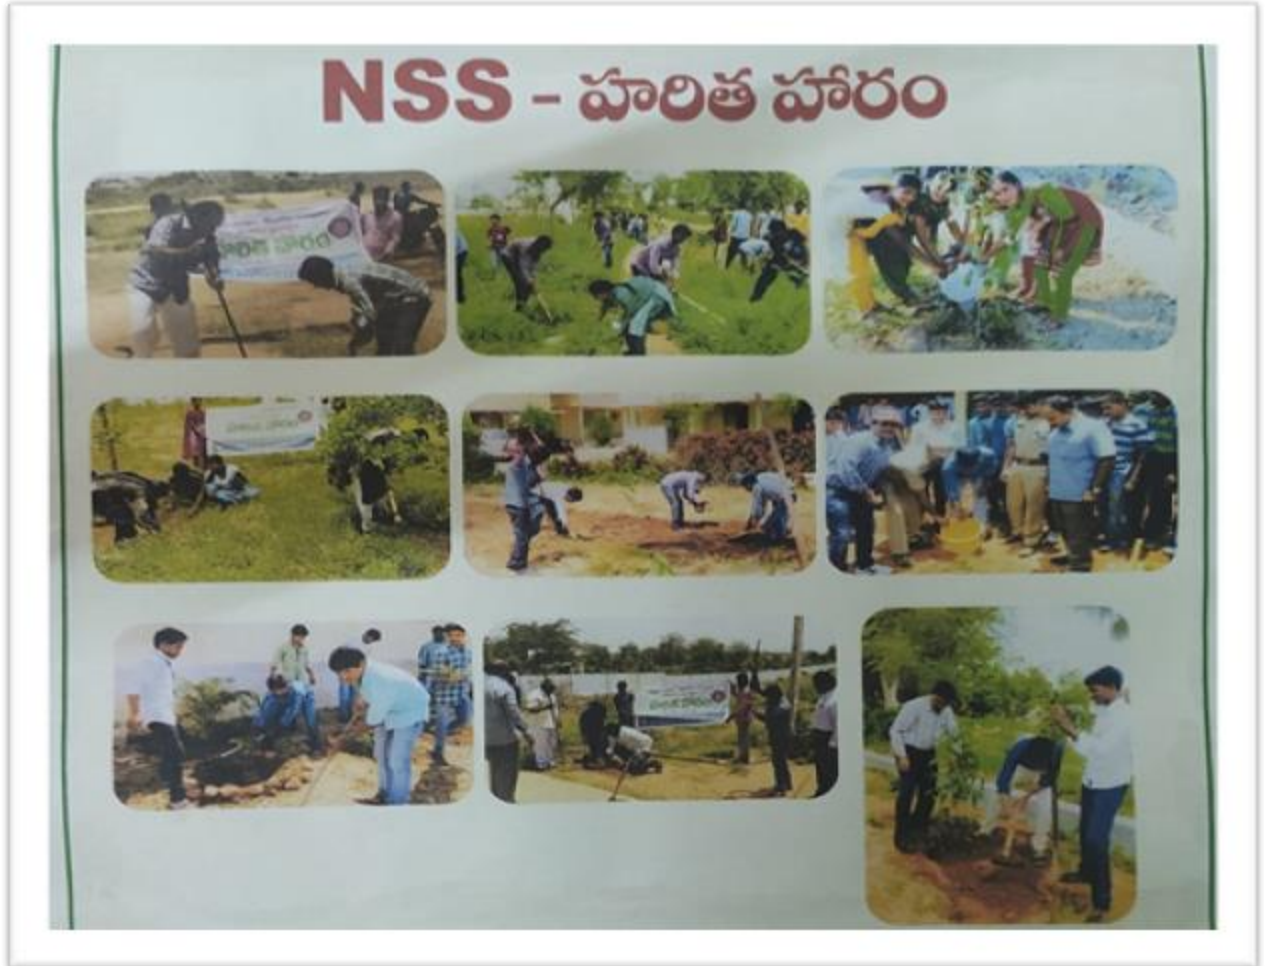

- Hatitha haram Program
- Plantation Program
- Swatch Bharath

## Hatitha haram Program

The Telangana government's flagship program Telangana Ku Haritha Haram (THH), taken up to enhance the green cover in the state is the biggest plantation drive in the country. Chief minister K Chandrasekhar Rao, started THH in July, 2015 with an intention to improve the forest coverage to 33% from the 24% in 2014.

The principal of the MKR Govt Degree College, addressed the students and motivated them to participate in plantation program. He told the importance of Environment, Greenhouse effect and Global Warming and pointed the role of the students in protecting the Environment. This program was conducted by Eco Club and NSS.

## Plantation Program

## Swatch Bharath

A Clean and Green Programme was organised by Eco Club and NSS Units at MKR Govt Degree College, Devarakonda. Eco members and NSS volunteers participated in the programme. They have undertaken programmes like Removing Waste, Watering of plants, sweeping the roads of the college, cleaning their classrooms.

The entire programme was supervised by our Eco Club Coordinator and NSS PO'S.

# **Eco Club Activities**

2016-17

## **List of Activities:**

- Bathukamma Celebrations
- Haritha haram Programme
- Shramadanam Programme

## Bathukamma Celebrations

The Festivals of Flowers,' Bathukamma' was celebrated by Eco Club. The students arranged flowers of various hues and colours and performed the traditional dance to the rhythmic lyrics. The flowers used in Batukamma have a great quality of purifying water and such flowers when immersed in abundance into the pond have the effect of cleansing the water and making the environment much better.

## Haritha haram Programme

Haritha haram Programme was conducted by Eco Club and NSS Units. In this Programme our college Principal Dr. Jagadish Chandra sitara, staff and students participated. In this Programme Principal told that “College should have a healthy atmosphere with greenery. For this, every student must plant a sapling every month and take of them”.

## Shramadanam Programme

Eco Club and NSS units of MKR Govt Degree College, Devarakonda organised a half-day Shramadanam – College campus cleaning. This programme was held for about three hours and from I and II year Degree students who actively participated in the programme.
