Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	The year 2020-21 has brought a massive crisis in education system of HEI , the pandemic covid -19 has brought an unprecedented prices to the educational institutions specially H.E.I To reduce and reverse the long term negative effect, Educational Institutions implement learning recovery programs ,to protect educational system by building back better learning process. The HEI brick and mortar institutions, digitally transformed themselves to provide learning experiences to our UG students via online teaching ,following the instructions of CCE and almanac issued by the palamuru university. Transition from conventional to online teaching has been a challenge for teachers and students , irrespective of age and teaching experience , all the faculty made a shift to online teaching . In our Institution all teaching faculty following the instructions of head of the institution , used various teaching tools like Microsoft teams, Google meet , Zoom class, Vediolectures , you tube channel preparation etc .. such platforms adopted to complete the syllabus , online quiz, seminars , google forms framed for feedbacks during the year 2020-21.Teaching faculty delivered numerous online classes by preparing , intimating students through whatsup groups, to complete the syllabus of ongoing semisters , for the academic year 2020-21, and ensured that the education of the students was uninterrupted .Unlike conventional class rooms, online classes made instructional strategies such as Time table for each courses , pre and post class activities Assignments and online examinations by using learning management system , All the teaching faculty used online pedagogies such as Team based learning (TBL), Discussion forums, use of open education resources , including SWAYAM , NPTEL courses to make class more effective . Lectures kept significant amount of effort in preparation of presentation in-class activities, more over there is a need to train teaching faculty on effective online teaching using online tools. For that In our institution faculty used virtual class room for training , in use of technology and online deliverance of academic content in an innovative and student centric manner, latest updated Innovations also will be updated in designing structured evaluation tools with more emphasis on continuous evaluation , like wps office, vedio lectures, assignments and for end semester exams. Teaching faculty disciplines with skill-oriented courses face more challenges in online traching than theire counter parts in other courses, The courses still require to use software and simulations to expline the concepts. Disruptive learning technologies like ARTIFICIAL INTELLIGENCE (AI), virtual reality (AR) will change the way of ONLINE TEACHING and provide immersive learning experience in teaching ,forwarding on visualize programes being developed and delivered in the blended mode with a combination of online learning and campus based learning. Our institution strictly adhere to almanac , head of the institution reviewed the syllabus covered before last working day .The online education during this academic year 2020-21 looks promising , This pandemic crisis has provided an opportunity to review our education system , in its preparedness to address unforeseen disruptions in class room education to the digital ICT learning Education.
