AIDS DAY Rally

01-12-2016

GDC Bichkunda has organized a Rally under the NSS programme to create awareness on AIDS. Every year on 1 December, the world commemorates world AIDS day. The acquired immunodeficiency syndrome (AIDS) is a life-threatening condition caused by the human immunodeficiency virus (HIV). The HIV virus attacks the immune system of the patient and reduces its resistance to other diseases.

Government and health officials, non-governmental organizations and individuals around the world observe the day often with education on AIDS prevention and control. The students must know about AIDS, prevention and control.
