

## Covid- 19 - Eradication measures to spreading Virus

Government Degree College, Eturnagaram

Department of Zoology & IQAC

Covid-19 pandemic condition hit almost all the people around the world. The virus attacked educational institutions and the students and staff were aware to take measures to avoid the spreading of virus. The preventive measures as follows-

1. Wearing masks
2. Proper and frequent Sanitization
3. Maintaining Physical/ social distance
4. Improvement of Immune system by providing good food. Etc.,

All the staff and students were maintained all the measures in avoiding the spread of virus. Special classes and meetings were also conducted in the college to equip the knowledge regarding the preventive and immune boosting measures.

Mode of Viral attack, symptomatic, asymptomatic stages, quarantine and isolation methods, proper medication also discussed in the meetings.
