

# GOVERNMENT DEGREE COLLEGE, MEDAK

## 1.3.1 HUMAN VALUES

- Cross cutting Issues relevant to gender sensitization, environment sustainability, Human Values and professional ethics, personality development are generally integrated into the curriculum of affiliated university i.e. Osmania to enlighten the students on such important areas.
- Programmes related to gender sensitization are conducted on a regular basis to sensitize the young boys and girls to create a positive approach and respect to the rights of girls.
- Equal opportunities are provided to all the students in the teaching, learning process.
- Teachers guide the students to become gender sensitized individuals, which is essential for the holistic development not only of the institution but also of the nation.
- The Women Empowerment Cell (WEC) of the college organizes various activities to create and enhance the sense of self confidence among girl students.
- The Career Guidance Cell takes care of the self- development of all students.
- Students are motivated to become NSS and NCC Volunteers and render National/ Social service which leads to community development.
- The Grievance Redressal Cell addresses all the personal and academic grievances of the students.
- The Eco Club and the three units NSS volunteers take care of clean and green programmes on regular basis to maintain greenery and healthy environment of the college campus.
- Subjects like Indian Heritage and Culture (IHC) and science and Civilization instill human ethical, cultural values and critical thinking in students.
- The WEC and Discipline Committee prohibits the ragging in the college premises by enlightening students through the lectures by Resource Persons from Department of Police and "SHE" Team.
- The Consumer Club sensitizes the students on the rights of consumers.
- The college publishes a handbook for code of conduct for the stakeholder's useful information pertaining to the college, including the rights and obligations of the stakeholders.
- The Institution gives top priority to character building of the students and thus, integrates various essential human elements into the curriculum.
