

GOVERNMENT DEGREE COLLEGE, MEDAK

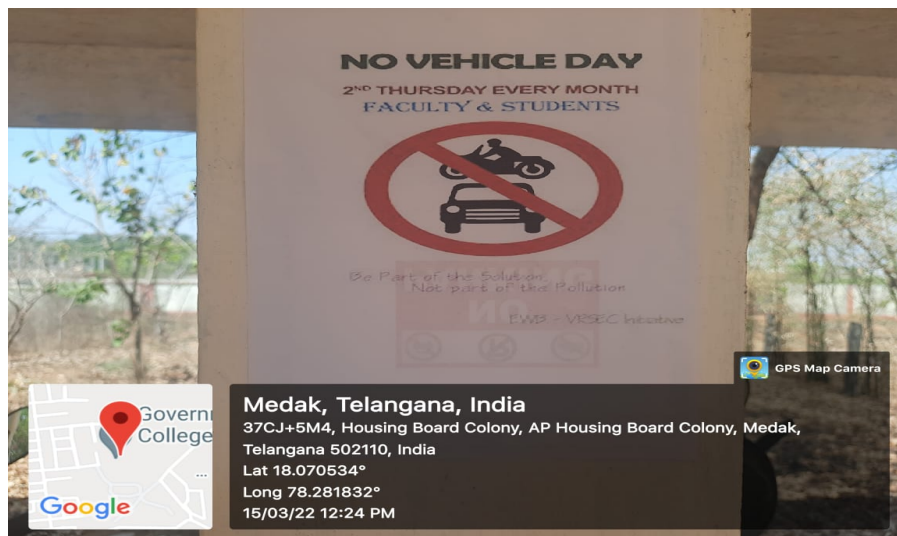

7.1.5. - The institutional initiatives for greening the campus are as follows:

1. Restricted entry of automobiles
2. Use of bicycles/ Battery-powered vehicles
3. Pedestrian-friendly pathways
4. Ban on use of plastic
5. Landscaping

All the above

Restricted entry of automobiles:

- In our College this system was implemented since the year 2018. Every second Thursday all the students and staff vehicles are not permitted into the college campus. This initiative taken by the institution to avoid the air pollution at least once in a month.

- The college has a practice of “NO ENTRY AND NO PARKING” of any vehicle into the college campus every second Thursday in order to minimize the smoke, dust and pollution to some extent.

Ban on use of plastic:

It's a proud feature of the college that plastic in any form be it a plastic cup, glass or bottle except reusable plastic bottles or plastic covers or any kind is neither brought into the campus nor used.

Even the college do not encourage the use of plastic pots for the plants. We use only the pots made of mud or cement.
