

GOVERNMENT DEGREE COLLEGE, MEDAK

4.3.1 Institution frequently updates its IT facilities including Wi-Fi

The institution has Three Internet Connections. Two connections with 100 MBPS and One connection is 50 MBPS. The institution has facilitates extensive use of ICT resources including development and use of computer aided teaching / learning materials by staff and students. Latest IT technology and infrastructure is provided for their benefit. All the departments have access to LCD projectors for making Power-Point Presentations. Material for study projects is downloaded by the students from the internet facility available in the college. There is an Audio-visual room facility for live shows on MANA TV and also for showing subject videos. There are digital and interactive boards to strengthen IT facility for effective teaching-learning. Overhead projectors are also used for making learning easy to the students. Internet is updated every year to keep pace with the growing demand. Virtual Classroom enables students to listen to the subjects of their choice, improve their knowledge and prepare well for competitive examinations and recruitment drives. Students are provided internet facility in the Library, Computer Labs, TSKC Lab, and Commerce Lab for their academic requirements. This institution increases the computer-student ratio and internet availability to all the students from time to time. Upgradation of computer hardware and software is done as and when necessary.
